Is your life path lit by your inner candle flame, or are you stumbling along in the dark? In Dr. Wayne Dyer's new book, he reminds us of what so many people easily forget in the day-to-day grind of life, that material success is not what we are ultimately trying to achieve, and therefore it shouldn't be our driving force. Within each of us lies success and inner peace, which can be found once we understand that a deeper, richer life experience is characterized by a burning desire, or as Dr. Dyer describes it, an "inner candle flame."In this thought-provoking book, Dr. Dyer offers simple ways to change your life-and your outlook on life. The ten principles presented here apply to people who are just beginning their journey of discovery, as well as those who have already embarked on life's winding path. Dr. Dyer urges us to listen with an open heart, and to apply the secrets that resonate with them and discard the rest. By doing so, we'll learn to feel the peace of God that truly defines success.

The Napoleon Hill Foundation In order to achieve desired results a simple two-step process must be followed: Thought + Action = Success As a student of Dr. Napoleon Hill for many years, I know that his philosophy works best when it is observable and measurable. It is not always easy to take action, but without action there is no success. Reflect on this for a moment. Great intentions never measure up to the smallest action. However, the tiniest action begins to build a momentum that culminates in your desired success if you build on the previous action daily. 10 Success Secrets pairs Dr. Hill's philosophy with actions that will move you toward success. I suggest that you try a few, keep a log, and watch your success rate grow. Without the action step, you are missing the master key to your dreams. First, chart your course; next, plan your method of travel, and third, step into the journey and begin! As you progress, you can then evaluate what actions work best for you. Look at this book as your treasure map. When you follow it to your destination, you will be rewarded with finding the treasure you seek. To your ultimate and lasting success! —Judith Williamson, Director, Napoleon Hill World Learning Center, Purdue University Calumet
