Now available in hardcover, 90 Minutes in Heaven is the runaway bestseller about one man's experience with death and life. As Baptist minister Don Piper drove home from a conference, his car collided with a semi-truck that had crossed into his lane. Piper was pronounced dead at the scene. For the next 90 minutes, he experienced the glories of heaven, where he was greeted by those who had influenced him spiritually, and he experienced true peace. Back on earth, a passing minister who had also been at the conference felt led to pray for the accident victim even though he was told Piper was dead. Miraculously, Piper came back to life, and the pleasure of heaven was replaced by a long and painful recovery. For years Don Piper kept his heavenly experience to himself. Finally, friends and family convinced him to share his remarkable story. An inspiring and encouraging account, 90 Minutes in Heaven continues to touch and comfort millions of people around the world as it offers a glimpse of inexpressible heavenly bliss.

One day Eva Piper was an elementary school teacher, the mother of three, the beloved wife of a strong, protective husband. The next day she stood at the bedside of a broken man who could do nothing but moan in agony and turn his head away from her. Later she would learn that he had died and actually experienced heaven before being prayed back to life—a true miracle. Don Piper's testimony, told in the New York Times bestseller 90 Minutes in Heaven, would one day bring hope to thousands. But all that was in the future. Despite family and friends who kept vigil with her, Eva Piper found herself essentially alone. Walking in the dark. And she had always hated the dark. Though it parallels that of her husband, Eva Piper's account is quite different from his. It takes readers not to heavenly places but through a very earthly maze of hospital corridors, insurance forms, tiring commutes from home to workplace and hospital, and lonely hours of waiting and worrying. This is the story of a woman learning, step by darkened step, to go places she never thought she could go and growing into a person she never thought she could be. Packed with hard-earned wisdom about what it means to be a caregiver, to open yourself to the care of others, and to rest in God's provision, this book provides a dependable source of light to help you walk through the dark.

The mega bestselling book that started the heaven publishing phenomenon is now a major motion picture starring Hayden Christensen and Kate Bosworth and produced by Michael Polish. Don Piper's incredible true story continues to expand its reach to more people than ever before. After a semi-truck collided with Don Piper's car, he was pronounced dead at the scene.
