separated by distance but is never really far apart.

In a world where every word and gesture is copyrighted, patented or trademarked, one girl elects to remain silent rather than pay to speak, and her defiant and unexpected silence threatens to unravel the very fabric of society. Speth Jime is anxious to deliver her Last Day speech and celebrate her transition into adulthood. The moment she turns fifteen, Speth must pay for every word she speaks ("Sorry" is a flat ten dollars and a legal admission of guilt), for every nod (\$0.99/sec), for every scream (\$0.99/sec) and even every gesture of affection. She's been raised to know the consequences of falling into debt, and can't begin to imagine the pain of having her eyes shocked for speaking words that she's unable to afford. But when Speth's friend Beecher commits suicide rather than work off his family's crippling debt, she can't express her shock and dismay without breaking her Last Day contract and sending her family into Collection. Backed into a corner, Speth finds a loophole: rather than read her speech—rather than say anything at all—she closes her mouth and vows never to speak again. Speth's unexpected defiance of tradition sparks a media frenzy, inspiring others to follow in her footsteps, and threatens to destroy her, her family and the entire city around them.

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into

monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In *The Life You Can Save*, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. *The Life You Can Save* teaches us to be a part of the solution, helping others as we help ourselves.

Barack Obama seemed to burst onto the national political scene in early 2007 when he announced his candidacy for president of the United States. In reality, his lengthy resume included work as a community organizer, civil rights attorney, state senator, and U.S. senator. His political accomplishments showed Obama as a candidate who could get things done by working with Republican and Democratic legislators alike on such issues as education, crime reform, and campaign reform. Obama's historic campaign for the Democratic presidential nomination drew both strong support and strong opposition from members of both major political parties. A skilled orator, his speeches attempted to transcend race as he focused not on how people were different, but how they were alike. A grassroots campaign

grew, spreading the message that Obama was the candidate who would bring "change we can believe in." He was nominated for the Democratic ticket over Hillary Rodham Clinton, and then on November 4, 2008, Barack Obama made history when he was elected America's first African American president.
