Sex and the City—the original stories that started it all—now available as an eBook! Sex and the City is a fantastic and sometimes terrifying foray into the hearts, minds, and mating habits of modern-day New Yorkers. Traveling in packs from lavish parties to high-end clubs, Bushnell ' s vividly candid characters live out the never-ending search for the perfect relationship. Bushnell ' s firsthand commentary on the behavior of the rich and famous is by turns witty and shocking, and always boldly true. In these pages you will meet “ Carrie, ” the young writer looking for love in all the wrong places; “ Samantha Jones, ” the successful proto-cougar who approaches sex just like a man; and “ Mr. Big, ” the captain of industry who jumps from one bed to the next. Equal parts soap opera, gossip page, sociological study, and dating manual, Sex and the City, Candace Bushnell ' s former New York Observer column, has attracted a cult following and been adapted into two major motion pictures and one of the most popular TV series of our time. This is the

groundbreaking work that both decoded and shaped a culture and a generation.

Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

Los Angeles incarcerates more people than any other city in the United States, which imprisons more people than any other nation on Earth. This book explains how the City of Angels became the capital city of the world's leading incarcerator. Marshaling more than two centuries of evidence, historian Kelly Lytle Hernandez unmaskes how histories of native elimination, immigrant exclusion, and black disappearance drove the rise of incarceration in Los Angeles. In this telling, which spans from the Spanish colonial era to the outbreak of the 1965 Watts Rebellion, Hernandez documents the persistent historical bond between the racial fantasies of conquest, namely its settler colonial form, and the eliminatory capacities of incarceration. But City of Inmates is also a chronicle of resilience and rebellion, documenting how targeted peoples and communities have always fought back. They busted out of jail, forced Supreme Court rulings, advanced revolution across bars and borders, and, as in the summer of 1965, set fire to the belly of the city. With these acts those who fought the rise of incarceration in Los Angeles altered the course of history in the city, the borderlands, and beyond. This book recounts how the dynamics of conquest met deep reservoirs of rebellion

as Los Angeles became the City of Inmates, the nation's carceral core. It is a story that is far from over.

In Tokyo—one of the world's largest megacities—a stray cat is wending her way through the back alleys. And, with each detour, she brushes up against the seemingly disparate lives of the city-dwellers, connecting them in unexpected ways. But the city is changing. As it does, it pushes her to the margins where she chances upon a series of apparent strangers—from a homeless man squatting in an abandoned hotel, to a shut-in hermit afraid to leave his house, to a convenience store worker searching for love. The cat orbits Tokyo's denizens, drawing them ever closer. In a series of spellbinding, interlocking narratives—with styles ranging from manga to footnotes—Nick Bradley has hewn a novel of interplay and estrangement; of survival and self-destruction; of the desire to belong and the need to escape. Formally inventive and slyly political, *The Cat and The City* is a lithe thrill-ride through the less-glimpsed streets of Tokyo.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE LOS ANGELES TIMES, THE SEATTLE TIMES, AND PUBLISHERS WEEKLY. When a murdered woman is found in the city of Beszel, somewhere at the edge of Europe, it looks to be a routine case for Inspector Tyador Borl ú of the Extreme Crime Squad. To investigate, Borl ú must travel from the decaying Beszel to its equal, rival, and intimate neighbor, the vibrant city of Ul Qoma. But this is a border crossing like no other, a journey as psychic as it is physical, a seeing of the unseen. With Ul Qoman detective Qussim Dhatt, Borl ú is enmeshed in a sordid

## Download File PDF And The City

underworld of nationalists intent on destroying their neighboring city, and unificationists who dream of dissolving the two into one. As the detectives uncover the dead woman ' s secrets, they begin to suspect a truth that could cost them more than their lives. What stands against them are murderous powers in Beszel and in Ul Qoma: and, most terrifying of all, that which lies between these two cities. **BONUS:** This edition contains a *The City & The City* discussion guide and excerpts from China Mi é ville's *Kraken* and *Embassytown*.

Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly on the wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the wilds and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* follows a cohort of female friends—Sassy, Kitty, Queenie, Tilda Tia, Marilyn, and Candace—as they navigate the ever-modernizing phenomena of midlife dating and relationships. There ' s “ Cubbing, ” in which a sensible older woman suddenly becomes the love interest of a much younger man, the “ Mona Lisa ” Treatment—a vaginal restorative surgery often recommended to middle aged women, and what it ' s really like to go on Tinder dates as a fifty-something divorcee. From the high highs (My New Boyfriend or MNBs) to the low lows (Middle Age Madness, or MAM cycles), Bushnell illustrates with humor and acuity today ' s relationship landscape and the types that roam it. Drawing from her own experience, in *Is There Still Sex in the City?*

## Download File PDF And The City

Bushnell spins a smart, lively satirical story of love and life from all angles—marriage and children, divorce and bereavement, as well as the very real pressures on women to maintain their youth and have it all. This is an indispensable companion to one of the most revolutionary dating books of the twentieth century from one of our most important social commentators.

Athletic Jamie isn't sure about spending the summer in the city with her romance – novel – writing mum. But when she meets irresistible Josh, Jamie realizes she could probably use all the romance advice she can get! Lacrosse camp 9 a.m. – noon (can't be late! "Coach" Josh will freak out) Basketball camp 1:00 – 4:00 (so many screaming kids. . . ) Shopping with Mona 4:30 (finally a break) Date with Andrew 7:30 (he's so perfect. . . isn't he?)

What mathematical modeling uncovers about life in the city X and the City, a book of diverse and accessible math-based topics, uses basic modeling to explore a wide range of entertaining questions about urban life. How do you estimate the number of dental or doctor's offices, gas stations, restaurants, or movie theaters in a city of a given size? How can mathematics be used to maximize traffic flow through tunnels? Can you predict whether a traffic light will stay green long enough for you to cross the intersection? And what is the likelihood that your city will be hit by an asteroid? Every math problem and equation in this book tells a story and examples are explained throughout in an informal and witty style. The level of mathematics ranges from precalculus through calculus to some differential equations, and any reader with knowledge

## Download File PDF And The City

of elementary calculus will be able to follow the materials with ease. There are also some more challenging problems sprinkled in for the more advanced reader. Filled with interesting and unusual observations about how cities work, *X and the City* shows how mathematics undergirds and plays an important part in the metropolitan landscape.

Who says a vamp can't have it all? Darcy Newhart thought it was a stroke of genius—the first – ever reality TV show where mortals vie with vampires for the title of *The Sexiest Man on Earth*. As the show's director, Darcy's career would be on track again. And she can finally have a life apart from the vampire harem. Okay, so she's still technically dead, but two out of three's not bad. Now she just has to make sure that a mortal doesn't win. If only she wasn't so distracted by a super – sexy and live contestant named Austin... But Darcy doesn't know the worst of it. Austin Erickson is actually a vampire slayer! And he's got his eye on the show's leggy blond director. Only problem is, he's never wanted any woman—living or dead—as badly. But if he wins her heart, will he lose his soul? And if it means an eternity of hot, passionate loving with Darcy, does that really matter anyway?

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a “ bubbly, yet fierce cultural dissection of the groundbreaking show ” (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers ’ room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon.

## Download File PDF And The City

They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. *Beverly Hills, 90210* creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. *Carrie*, *Miranda*, *Charlotte*, and *Samantha* launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (*The Washington Post*). *Sex and the City* and *Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.
