When eleven-year-old Tommy Thompson arrived at a government-run Indian boarding school in 1915, it seemed a last resort for the youngster. Instead, it turned out to be the first step toward a life dedicated to helping others. Thompson went on to become a star athlete and football coach—a Cherokee legend whose story is remembered by many and is now finally told for a wider audience. Following gridiron fame at Northeastern State College, Thompson returned to Sequoyah Vocational School in 1947 as Boys' Coach and Advisor. More than a thousand boys attended the boarding school during the eleven years he coached there. Writing for readers old and young, Patti Dickinson tells the inspiring story of how this one man made a difference in the lives of a generation of Indian youth. Through football, Thompson taught his boys the skills and values they would need to succeed in life, and twice led his team to the state finals. Dickinson describes the success of that program, including one epic, rain-soaked championship game. She paints compelling portraits of Thompson's boys—the men whose firsthand stories and reminiscences form the basis of the narrative—and recreates daily life at the school. To his boys, Thompson was Ah-sky-

uh, [the man,] a Cherokee term of respect. Half a century after his death, Sequoyah High School still reveres his memory. This book secures his place in history as it opens a new window on the boarding school experience.

This book is the synopsis of three areas of an individual's life and his family. It begins with his ancestors in the mid 19th century and concludes with the present life of his family in 2011. It includes his family life on cotton farms as a youth and his careers as a football, basketball and track coach and finally several years as a minister.

This book candidly reports the experiences of one middle school principal for 160 consecutive days with little or no editing. The material is much more than the typical case study. The events are presented in context; the results of actions taken are seen in the daily lives of all affected.

"Prepares students for the Florida comprehensive assessment test (FCAT)"--Cover.

The authors illustrate how to use data as a catalyst for significant, systematic, and continuous improvement in instruction and learning. Includes a CD-ROM with slides and reproducibles.

The missing how-to manual for being an effective team leader The Art of Coaching Teams is the manual you never received when you signed on to lead a team. Being a great teacher is one thing, but leading a team, or team development, is an entirely different dynamic. Your successes are public, but so are your failures—and there's no specific rubric or curriculum to give you direction. Team development is an art form, and this book is your how-to guide to doing it effectively. You'll learn the administrative tasks that keep your team on track, and you'll gain access to a wealth of downloadable tools that simplify the "getting organized" process. Just as importantly, you'll explore what it means to be the kind of leader that can bring people together to accomplish difficult tasks. You'll find practical suggestions, tools, and clear instructions for the logistics of team development as well as for building trust, developing healthy communication, and managing conflict. Inside these pages you'll find concrete guidance on: Designing agendas, making decisions, establishing effective protocols, and more Boosting your resilience, understanding and managing your emotions, and meeting your goals Cultivating your team's emotional intelligence and dealing with cynicism Utilizing practical tools to create a customized framework for developing highly effective

teams There is no universal formula for building a great team, because every team is different. Different skills, abilities, personalities, and goals make a one-size-fits-all approach ineffective at best. Instead, *The Art of Coaching Teams* provides a practical framework to help you develop your group as a whole, and keep the team moving toward their common goals.

Grade-specific exercises and practice tests to prepare students for various standardized tests including the California Achievement Tests, the Iowa Tests of Basic Skills, and the Stanford Achievement Tests.
