The SAGE Course Companion on Management Accounting is an accessible introduction to the subject that will help readers extend their understanding of key concepts and enhance their thinking skills in line with course requirements. It provides support on how to revise for exams, how to present calculations and how to prepare for and write assessed pieces. Readers are encouraged not only to think like a management accountant but also to think about the subject critically. Designed to compliment existing textbooks for the course, the companion provides: - Easy access to the key themes in Management Accounting and an over view of its business context - Helpful summaries of the approach taken by the main textbooks on the course - Guidance on the essential study skills required to pass the course - Sample exam questions and answers, with common pitfalls to avoid - A tutor's-eye view of what course examiners are looking for - A road map for the book to help readers quickly find the information they need The SAGE Course Companion on Management Accounting is much more than a revision guide for undergraduates; it is an essential tool that will help readers take their course understanding to new levels and achieve success in their undergraduate course.

Now available in a fully revised and updated fifth edition, Sport Management: Principles and Applications tells you everything you need to know about the contemporary sport industry. Covering both the professional and nonprofit sectors, and with more international material than any other introductory sport management textbook, it focuses on core management principles and their application in a sporting context, highlighting the unique challenges of a career in sport management. The book contains useful features throughout, including conceptual overviews, guides to further reading, links to important websites, study questions, and up-to-date case studies showing how theory works in the real world. It covers every core functional area of management, including: Strategic planning Financial management Organizational culture and design Human resource management Leadership and governance Marketing and sponsorship Performance management Sport and the media. The fifth edition includes expanded coverage of sport for development, analytics, monitoring and evaluation, ethics, risk management, sport and health, social media, sustainability, and other contemporary management issues. Complemented by a companion website offering additional resources for students and instructors, this is an ideal textbook for first and second year students in sport management degree programs and for business students seeking an overview of applied sport management principles.
