Prevention, 5e, is a trusted resource for physical security professionals, students, and candidates for the coveted Certified Protection Professional (CPP) certification administered by ASIS International. The U.S. government recently announced that employees will have to obtain CPP certification to advance in their careers. Edited by the security practitioner and author Lawrence Fennelly, this handbook gathers in a single volume the key information on each topic from eminent subject-matter experts. Taken together, this material offers a range of approaches for defining security problems and
