The book's drawback for me was feeling left with numerous questions. I wish that the ending weren't so abrupt and we g Great follow-up to our meeting of the intriguing Madge in the first book. There were many great touches in the book--the hot sex and sexual tension, the humorous bickering between Kai and Craigh, the suspense of recognition of the mate bond, and the dangerous suspense of the ...

All Taylor expects out of New Year's Eve is a hangover and a kiss at midnight. When her boyfriend dumps her a week before the holiday, she turns to her friends Mikhel and Zach for comfort, never expecting more than a fun evening and peck on the cheek as the New Year begins. But as the night progresses, Mikhel and Zach seem different, almost animalistic. Definitely dangerous. And her friends are acting more like lovers...like they both want her. She knows the time will come when she has to choose between the two men...until Mikhel offers the option of her taking both men as her lovers. No matter what she decides, it's going to be a wild New Year's night...and beyond. NOTE: This book was originally published in 2006 under the same name.

As Valentine's Day draws closer, Angel resigns himself to spending the holiday alone. After what looked like a promising start between him and Detective Sebastian Avonet, there's been no contact since Christmas. It's probably for the best. Angel doesn't want to get involved with a police officer. Too many risks. Sebastian knows he's a jerk for not calling Angel after their first date, but they want different things. Best to end things before they get too complicated. Besides, Sebastian isn't "out" at work and he can't imagine Angel being someone's secret side-piece. But when a not-so-chance meeting puts the two men in close quarters, the desire that flares between them might very well defeat their differences.

Deacon Markson is all business...until he sees a bear turn into a man and starts to question his own sanity. Still, work is his refuge—along with the occasional one-night stand. Except his last hook up, left him strangely dissatisfied. They clicked but something wasn't right. Too bad he can't get the big guy out of his thoughts. Now his best friend is mixed up with those crazy shifter guys and his one-night stand might be more than he thought. Phineas Keene does his shifting in the middle of nowhere—or so he thought. When he discovers Deacon saw him change from bear to man, he nearly panics. Instead, the two men share a night of sex that leaves him wanting more. But even if Deacon didn't recognize him, getting close is too risky. Too bad Phineas can't stay away from the sexy man who threatens their very existence.

It's Thanksgiving! A time for food, family and fun! Right? We should be so lucky... This holiday season, Angel finds himself entertaining Sebastian's parents while his own mother is not-so-secretly planning Angel and Sebastian's wedding. Except there isn't a wedding. There isn't even an engagement so everyone needs to cool their jets. That's not likely to happen so, there's only one thing to do...and yes, it might include hiding out in the bathroom with a pumpkin pie until it's over. Happy Thanksgiving! To be continued... Join Angel and Sebastian as their relationship grows through the year in Holiday Wishes.

A week before Christmas, in a new town, and Detective Sebastian Avonet ends up in the hospital with a bullet lodged in his shoulder—courtesy of a car thief who should have known better. The pain is bad but the medication they give him is worse. A dizzy brain leads him to proposition his very male nurse. Whoops! Angel loves his job as a nurse in pediatrics. Occasionally he gets pulled into other departments to help out. He doesn't mind. He can use the overtime. And when a drugged up, sexy as hell detective offers him "crazy monkey sex", the idea jumps to the top of Angel's Christmas wish list. Unfortunately, Angel suspects Sebastian might be straight and he's not going down that path again. His theory couldn't be more wrong. A moment under the mistletoe will start them through a year of Holiday Wishes. Join Angel and Sebastian as their relationship grows through the holidays through the year in Holiday Wishes. Each story is standalone and can be read individually. The full path of their story builds over each holiday. Enjoy!

It will take the luck of the Irish to get these two back on track. In fact...maybe they'll both get lucky.
