Daughter Greeting Card 12-Pack — A Year of Cards (Variation 1)

Commitment, loyalty, and strength aren't enough to make Wesley Stone’s birth pack accept an Alpha with a physical imperfection, even if it’s a meaningless mark. Putting the safety of his pack above his own wellbeing, Wesley trades himself for another Alpha and agrees to mate with a stranger in a mysterious, insular pack.

Two lions, each born to serve, rely on one another to survive. A Premier lion shifter, Hugh Landry dedicates his life to leading the Berk pride with strength and confidence. Hundreds of people depend on Hugh for safety, success, and happiness. And at over a century old, with more power than can be contained in one body, Hugh relies on a Siphon lion shifter to carry his excess force. When the Siphon endangers himself and therefore the pride, Hugh must pay attention to the man who has been his silent shadow for a decade. What he learns surprises him, but what he feels astounds him even more. Two lions, each born to serve, rely on one another to survive. After years by each other’s side, they’ll finally realize the depth of their potential, the joy in their passion, and a connection their kind has never known.

Two very different men with a tumultuous history must overcome challenges from all sides and see past their society’s rules to realize they are destined for one another.

Raised to become Alpha of the Yafenack pack, Samuel Goodwin dedicates his life to studying shifter laws, strengthening his body, and learning from his father. But despite his best efforts, Samuel can’t relate to people, including those he’s supposed to lead. When Samuel meets Korban Keller, the son of a neighboring pack’s Alpha, he reacts with emotion instead of intellect for the first time in his life. Resenting the other shifter for throwing him off-balance, Samuel first tries to intimidate Korban and then desperately avoids him. What he can’t do is forget Korban’s warm eyes, easy smile, and happy personality.

When a battle between their fathers ends tragically, Samuel struggles to lead his pack while Korban works to break through Samuel’s emotional barriers. Two very different men with a tumultuous history must overcome challenges from all sides and see past their society’s rules to realize they are destined for one another.

"There’s something strange about the new girls in town. Briar Creek, Oregon, has never seen anything like the supernatural grace of Rowan, Kestrel, and Jade, three sisters who move into the dilapidated old house next to—Mark and Mary-Lynnette Carter"—Publisher.

“An excellent novel. A lovely and moving portrait of society’s outcasts...affirms the essential humanity of its poor and stubborn residents, for whom each day of survival is a victory” (The New York Times Book Review). Set on the high ground at the heart of Cape Ann, the village of Dogtown is peopled by widows, orphans, spinsters, scoundrels, whores, free Africans, and “witches.” Among the inhabitants of this hamlet are Black Ruth, who dresses as a man and works as a stonemason; Mrs. Stanley, an imperious madam whose grandson, Sammy, comes of age in her brothel; Oliver Younger, who survives a miserable childhood at the hands of his aunt; and Cornelius Finson, a freed slave. At the center of it all is Judy Rhines, a fiercely independent soul, deeply lonely, who nonetheless builds a life for herself against all imaginable odds. Rendered in stunning, haunting detail, with Anita Diamant’s keen ear for language and profound compassion for her characters, The Last Days of Dogtown is an extraordinary retelling of a long-forgotten chapter of early American life.

An explosive secret and red-hot passion propel #1 New York Times bestselling author Lora Leigh’s Nauti series to its thrilling conclusion. Angel Calloway is no saint. But when the rough and reckless mercenary shows up in Somerset, she makes a lasting impression on the young Mackay girls, especially Bliss. Their mother Chaya, on the other hand, plans on keeping a suspicious eye on Angel. As the wife of the notorious Natches Mackay, she can tell when her family is being played. Former Army investigator Reece “Duke” Duquaine can’t help but be curious about the mysterious and sexy new woman in town, and he’s determined to uncover Angel’s secrets. And though his desire for her threatens to consume him, when Duke has the truth about Angel in his sights, he’ll have to take his shot...

Welcome to Clean Slate Ranch: home of tight jeans, cowboy boots, and rough trails. For some men, it’s a fantasy come true. “[A] passionate, trope-heavy romance...scintillating romantic tension and steamy sex scenes.”—Publisher’s Weekly on A.M. Arthur’s Hard Ride (Clean Slate #5) Mack Garrett loves the rolling hills surrounding his Northern California dude ranch. Leading vacationers on horse trails with his two best friends is enough—romance is definitely not in the cards. When a sexy tourist shows up at Clean Slate, he’s as far from Mack’s type as can be. So why is the handsome city slicker so far under his skin in less than a day? Roughing it in the middle of nowhere isn’t anywhere near Wes Bentley’s idea of fun. Then he lays eyes on the gruffest, hottest papa bear he’s ever seen. But Mack is as hard to pin down as he looks—distant, sharp-tongued, and in desperate need of a shave. Until a campout gone wrong strands both men in the mountains with nothing to do but get to know each other. Mack intends to keep his closely guarded heart out of Wes’s very talented hands. But for a seven-day cowboy, Wes is packing some long-term possibility. The cold country air can do wonders for bringing bodies together—but it will take more than that to bridge the distance between two men whose lives are worlds apart.

This Book is in full Color! Why has the VMS attracted so much attention from amateur and professional cryptographers, programmers, linguists and art historians? Truly I believe that at first glance by all it looks like the VMS text can be read. That in the moment of the first glance it looks simple, but once fully invested the person realizes the VMS is highly complex. For what it’s worth, what I have found is the translation is impressive. Language frequencies have been applied to the VMS without finding any consistent language that fits a straight across translation. This has led some to believe the VMS is a hoax or an invented language. I believe the latter! What would cause so many failed attempts at decoding the VMS? The author would invent a language as a cipher of scrambled letters replacing words to numbers in the invented language and to further complicate it, make it look like a known language. What I propose is that the VMS glyphs have been strategically placed and that the letter values being numbers are of Middle English Gematria origin. This is known as ordinal gematria.

How do you say no when your roommate wins an all-inclusive rock experience and begs you to go along? You don't. Ever. But Amara was starting to see that maybe she should have. Everything that could have possibly gone wrong, has. Until I run right into what feels like a brick wall. Of course, the brick wall has a name, too. Cash Graves. I knew the name, even if it was a newer one to the rock world. He's the bassist for Tainted Knights, the band who was making huge splashes in the music world. Their newest hit was all over the radio and currently on repeat on my playlist ... and I just spit my margarita all over him. With a wink and a smile, he should have gotten on stage and let me go on with my life, if a little star struck over the delicious rocker. He should never have looked back, and I shouldn't have begged for more. But I did. And now, my heartbreak might just be the end of me.

From New York Times bestselling author, Penelope Ward, comes a new novelette.The first time I met Jade Jameson, I lost my words and accidentally dropped a beer bottle, smashing it to the ground.The Broadway star sister of my brother's wife had paid us a surprise visit on Christmas. Quite simply, she was the most beautiful woman I'd ever seen; I was mesmerized.I'd made a fool of myself, though, and to make matters worse, my girlfriend was standing right there when it all happened.Jade went back to New York, and we didn't cross paths again for a year-until one night when a Facebook notification lit up my screen, setting off a chain of events that would change my life forever.Jaded and Tyed is a 16,000 word novelette. (The length is shorter than a novella.) It is not available in e-book format.
