For all the Christians facing conflict between JesusÆ words and their own lives, for all the non-Christians who feel they rarely see JesusÆ commands reflected in the choices of his followers, Red Letter Revolution is a blueprint for a new kind of Christianity, one consciously centered on the words of Jesus, the BibleÆs ö red letters. ö Framed as a captivating dialogue between Shane Claiborne, a progressive young evangelical, and Tony Campolo, a seasoned pastor and professor of sociology, Red Letter Revolution is a life-altering manifesto for skeptics and Christians alike. It is a call to a lifestyle that considers first and foremost JesusÆ explicit, liberating message of sacrificial love. Shane and Tony candidly bring the words of Jesus to bear on contemporary issues of violence, community, Islam, hell, sexuality, civil disobedience, and twenty other critical topics for people of faith and conscience today. The resulting conversations reveal the striking truth that Christians guided unequivocally by the words of Jesus will frequently reach conclusions utterly contrary to those of mainstream evangelical Christianity. If the Jesus who speaks to you through the Gospels is at odds with the Christian culture you know, if you have ever wanted to stand up and say, ö I love Jesus, but thatÆs not me, ö Red Letter Revolution will prove that you are not alone ü you may have been a Red Letter Christian all along. Endorsements: ö This book, by a young and an elderly Christian, will help you decide how we Christians could change the world if we took the æred letterÆ words of Jesus literally and seriously. ö ü President Jimmy Carter ö In Red Letter Revolution the uncompromised truth of Jesus' teachings are given voice by two modern-day Christian leaders who do more than preach this Good News. They walk the talk and lead the way. ö ü Archbishop Desmond Tutu ö I started reading this book and couldn't stop. . . . Thank you, Tony and Shane. Thank you for this book. May the movement spread around the world. ö ü Abuna Elias Chacour,?Melkite Catholic Archbishop of Galilee ö Red Letter Revolution is an adrenaline-producing conversation with prophetic bite. ö ü Eugene H. Peterson, author of The Message Bible ö I cannot over-emphasize or exaggerate the richness of this book. ö ü Phyllis Tickle, author of Emergence Christianity ö In this courageous and well crafted book, we have a return to the core message of the Gospel from two Christians who first tried to live it themselves ü and only then spoke." ü Fr. Richard Rohr, O.F.M., Center for Action and Contemplation ö Shane Claiborne and Tony Campolo are two of the most significant prophetic voices in the Christian world. ö ü Rabbi Michael Lerner, editor of Tikkun Magazine (tikkun.org) ö This is a must-read book for anyone who is seeking to take JesusÆ call on their lives seriously. ö ü Jim Wallis, founder and editor of Sojourners magazine ö If you ever wished you could eavesdrop on a conversation with two of the world's most interesting and inspiring Christians, just turn to page one. ö ü Brian D. The majority of companies, their employees and their leaders navigate a space where competitors appear overnight, customers demand innovations monthly, business plans rarely last a full year and career ladders have been replaced by trampolines. This environment of constant change will only accelerate in the future and traditional business leaders are ill equipped to deal with it. Just as we took our cues from MBAs and the military in casting the ideal CEO of the 20th century, we can look to design - in its broadest form - to model our future leader, the DEO. These leaders possess characteristics, behaviors and mindsets that allow them to excel in unpredictable, fast-moving and value-charged conditions. They are catalysts for transformation and agents of change. A hybrid of strategic business executive and creative problem-solver, the DEO is willing to take on anything as an object of design and looks at ALL problems as design challenges. Readers will learn not only why this form of leadership is essential to the success of modern organizations, but also what characteristics are best suited to this role. Through intimate conversations with leading DEOs, we explore the mindsets, communities, processes and practices common to creative business leaders. The book lays out—graphically and through example—how DEOs run their companies and why this approach makes sense now. We help readers identify these skills in themselves and their colleagues, and we guide them in using these skills to build, revive or reinvent the next generation of great companies and organization.
