This is a pioneering work of American cultural history, which connects everyday attitudes and anxieties about failure to lofty ideals of individualism and salesmanship of self. Sandage's storytelling will resonate with all of us as it brings to life forgotten men and women who wrestled with The Loser--the label and the experience--in the days when American capitalism was building a nation of winners.

Bright Sparks Literacy Project is a set of reading materials that provide staged opportunities for the progressive acquisition of literacy skills in the early years of schooling. Each title draws on a broad base of literacy skills, yet focuses on one or two skills, enabling teachers to appropriately select texts according to student's perceived need. Readers are exposed to a range of appropriate text types and language structures. Texts and activities have been developed around common themes explored in contemporary classrooms, allowing teachers to capitalise on the use of context when reading and writing.

Inspired by a windy autumn afternoon and two real little girls, The Perfect Leaf takes the simple joy of leaf-kicking and turns it into an extraordinary flight of the imagination. Written and illustrated by the creator of the CBCA Notable Book The Poppy, and illustrator of the Ford Street titles Spark and Glitch, The Perfect Leaf is a glorious celebration of the power of invention, and of the joys of being a child.

Mahatma Gandhi ' s grandson tells the story of how his grandfather taught him to turn darkness into light in this uniquely personal and vibrantly illustrated tale that carries a message of peace. How could he—a Gandhi—be so easy to anger? One thick, hot day, Arun Gandhi travels with his family to Grandfather Gandhi ' s village. Silence fills the air—but peace feels far away for young Arun. When an older boy pushes him on the soccer field, his anger fills him in a way that surely a true Gandhi could never imagine. Can Arun ever live up to the Mahatma? Will he ever make his grandfather proud? In this remarkable personal story, Arun Gandhi, with Bethany Hegedus, weaves a stunning portrait of the extraordinary man who taught him to live his life as light. Evan Turk brings the text to breathtaking life with his unique three-dimensional collage paintings.

Fully revised and updated content matching the Cambridge International Examinations 9702 syllabus for first examination in 2016. Endorsed by Cambridge International Examinations, this digital edition comprehensively covers all the knowledge and skills students need during the A Level Physics course (9702), for first examination in 2016, in a reflowable format, adapting to any screen size or device. Written by renowned experts in Physics teaching, the text is written in an accessible style with international learners in mind. Self-assessment questions allow learners to track their progress, and exam-style questions help learners to prepare thoroughly for their examinations. Answers to all the questions from within the Coursebook are provided.
