Electronic health record specialists are critical in today's healthcare environment, where timely access to accurate patient records is vital to the safety and treatment of patients. This course teaches the skills required to become a certified electronic health record specialist (CEHRS) through the National Healthcareers Association (NHA), including charting, HIPAA compliance, electronic health record management, and insurance and billing.

This book is a simplified study guide for the Electronic Health Record Specialist Exam. Concise and straight to the points the student needs

This book is a simplified study guide for the Electronic Health Record Specialist Exam. Concise and straight to the points that the student needs for the test

The NHA Electronic Health Records Specialist Certification Exam aims at assessing the competencies of the Electronic Health Records Specialist. The exam tests the knowledge and abilities to effectively manage medical records in different healthcare settings.The exam has 100 multiple-choice items covering:Demonstrate knowledge of the health care delivery system and medical terminology.Demonstrate an understanding of the transition to an Electronic Health Record (EHR).Demonstrate the ability to maintain an EHR within a physician's office.Demonstrate the ability to maintain an EHR within a hospital setting.Demonstrate an understanding of the usage of personal health records.Demonstrate knowledge of compliance and ethics.Demonstrate an understanding of the Practice Partner (the ambulatory EHR).Many CEHRS candidates are experienced professional who have been in the field of electronic health record management for years, that they know most of the practical how-tos, and all they need is to learn the principles, concepts and science that are behind the essential exam topics.This Exametrix Pocket Notes condenses most necessary facts found in the exam into an easy-to-carry pocket guide. A quick, portable study tool designed to be quick, convenient and less overwhelming. Also a great tool to use for last-minute cramming.

The Certified Electronic Health Records Specialist CEHRS is a professional who has the duty of maintaining the integrity and protecting the privacy/security of all patient information. There are questions on technology, procedures and legal compliance.We create these self-practice test questions referencing the concepts and principles currently valid in the exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to "simulate" actual exam questions. "realistic" or actual questions that are for cheating purpose are not available in any of our products.
