# Read Book Centurion Boat Manual

Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors, bloggers, and stars from the entertainment industry. The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith.

# Read Book Centurion Boat Manual

But how does one respond to these objections? For the laity of the church, this is especially difficult, as many are left without the proper training to know how to answer these objections. In *The Layman ' s Manual on Christian Apologetics*, the essentials of apologetics are taken from the ivory towers of

# Read Book Centurion Boat Manual

academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary. In this book, three major areas of apologetics are covered. The first unit engages the nature of truth and what can be known. The second unit deals with the existence of God and issues involving

# Read Book Centurion Boat Manual

God ' s existence. The last unit tackles historical objections to the resurrection of Jesus and early Christianity. The Layman ' s Manual on Christian Apologetics delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable.
