Chocolat - Official Trailer (HD) Nobody could have imagined the impact that Vianne would make when she arrived in a tranquil, old-fashioned French town. In her very unusual chocolate shop, she creates mouth-watering confections that almost magically inspire the straitlaced villagers to abandon themselves to temptation and happiness.

"Chocolat" is about a war between the forces of paganism and Christianity, and because the pagan heroine has chocolate on her side, she wins. Her victory is delayed only because, during Lent, a lot of the locals aren't eating chocolate.

When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called "La Celeste Praline" directly across the square from the church, Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent: the traditional season of self-denial. The priest says she'll be out of business by Easter. To make matters worse, Vianne

does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone's favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne's plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris: "You might see [Vianne] as an archetype or a mythical figure. I prefer to

see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentless. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human.” Vianne and her young daughter Anouk, come into town on Shrove Tuesday. “Carnivals make us uneasy,” says Harris, “because of what they represent: the residual memory of blood sacrifice (it is after all from the word "carne" that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible.” The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche (The English Patient) and Judi Dench

(Shakespeare in Love), was directed by Lasse Hallstrom, whose previous film The Cider House Rules (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. “It was a throwaway comment, designed to annoy and it did. It was along the lines of...Chocolate is to women what football is to men...” The idea stuck, and Harris began thinking that “people have these conflicting feelings about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate.” Rich with metaphor and gorgeous writing...sit back and gorge

The tantalizing sequel to the blockbuster New York Times bestseller *Chocolat* Even before it was adapted into the Oscar-nominated film starring Juliette Binoche and Johnny Depp, Joanne Harris's *Chocolat* entranced readers with its mix of hedonism, whimsy, and, of course, chocolate. Now, at last, *Chocolat*'s heroine returns to the beautiful French village of Lansquenet in another, equally beguiling tale. When Vianne Rocher receives a letter from beyond the grave, she has no choice but to return to Lansquenet, where she once owned a chocolate shop and learned the meaning of home. But returning to one's past can be a dangerous pursuit, and Vianne and her daughters find the beautiful French village changed in unexpected ways: women veiled in black, the scent of spices in the

immuable. L'arrivée d'une mystérieuse jeune femme, Vianne Rocher, et de sa fille, Anouk, va tout bouleverser. D'autant qu'elle s'avise d'ouvrir une confiserie juste en face de l'église, la veille du carême ! Dans sa boutique, Vianne propose d'irrésistibles sucreries. Et beaucoup succombent à son charme et à ses friandises... Car le chocolat de Vianne soigne les espoirs perdus et réveille des sentiments inattendus. Tout cela n'est pas du goût du comte de Reynaud et du curé, convaincus tous deux que les douceurs de Vianne menacent l'ordre et la moralité... En tout cas, la guerre est déclarée. Deux camps vont s'affronter : les partisans des promesses célestes et ceux des délices terrestres.

In this warm, engaging debut novel, four siblings make their way home, where their father, the memory of their mother, and long-held family secrets all collide just in time for Christmas. For Maggie Arnaud and her siblings, childhood Christmases meant lavish feasts and beloved rituals. The day began with hot chocolate and *cougrole de Noel*—the sweet, rich bread traditional in their parents' native Belgium. Those special holidays ended with their mother's death, and their father has grown more distant each year. But now, he has summoned his grown children once again. And none of them is eager to expose their imperfect lives to his
