Great Gatsby (Critical Insights) - Goodreads The Great Gatsby Overview The novel's events are filtered through the consciousness of its narrator, Nick Carraway, a young Yale graduate, who is both a part of and separate from the world he describes. Upon moving to New York, he rents a house next door to the

~~Critical Insights The Great Gatsby~~

Nick Carraway is presenting Gatsby ' s story as he saw it, but he knows there are other versions which might be told from other points of view. He declares that 'life is much more successfully looked at from a single window, after all' (Chapter 1, p. 10). It might be argued that singularity of vision is one of Gatsby ' s special qualities.

Edwin S. Fussell takes up The Great Gatsby with an examination of Jay Gatsby's and America's relation to time and history, and Tender Is the Night is treated by Michael K. Glenday and James H. Meredith, with Glenday comparing Fitzgerald's Divers with their real-life model, Gerald and Sara Murphy, and Meredith locating the work within the genre of the war novel. Michael Reynolds makes a comparative analysis between Fitzgerald and Hemingway, arguing that both took as their ethical models the ...

This volume of criticism begins with essays that provide the reader with cultural, historical, comparative, and critical contexts for understanding Gatsby. Several essays consider the cultural and historical contexts of Fitzgerald's work while critical comparisons link the novel to the poetry of Keats and the novels Daisy Miller and Passing. The section of contextual readings is followed by a selection of critical overviews, including a consideration of Gatsby as a type of culmination of Fitzgerald's writings and a comprehensive introduction to the Oxford World Classic edition of Gatsby.

Presents critical essays on Fitzgerald's novel about the 1920's, discussing major themes, the Jazz Age, and its early favorable critical reception.

Reader's Guides provide a comprehensive starting point for any advanced student, giving an overview of the context, criticism and influence of key works. Each guide also offers students fresh critical insights and provides a practical introduction to close reading and to analysing literary language and form. They provide up-to-date, authoritative but accessible guides to the most commonly studied classic texts. The Great Gatsby (1925) is a classic of modern American literature and is often seen as the quintessential novel of 'the jazz age'. This is the ideal guide to the text, setting The Great Gatsby in its historical, intellectual and cultural contexts, offering analyses of its themes, style and structure, providing exemplary close readings, presenting an up-to-date account of its critical reception and examining its afterlife in literature, film and popular culture. It includes points for discussion, suggestions for further study and an annotated guide to relevant reading.

A deep dive into how F. Scott Fitzgerald 's vision of the American Dream has been understood, portrayed, distorted, misused, and kept alive Renowned critic Greil Marcus takes on the fascinating legacy of F. Scott Fitzgerald 's The Great Gatsby. An enthralling parable (or a cheap metaphor) of the American Dream as a beckoning finger toward a con game, a kind of virus infecting artists of all sorts over nearly a century, Fitzgerald 's story has become a key to American culture and American life itself. Marcus follows the arc of The Great Gatsby from 1925 into the ways it has insinuated itself into works by writers such as Philip Roth and Raymond Chandler; found echoes in the work of performers from Jelly Roll Morton to Lana Del Rey; and continued to rewrite both its own story and that of the country at large in the hands of dramatists and filmmakers from the 1920s to John Collins 's 2006 Gatz and Baz Luhrmann 's critically reviled (here celebrated) 2013 movie version—the fourth, so far.

The Great Gatsby is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional town of West and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Set on the prosperous Long Island of 1922, The Great Gatsby provides a critical social history of America during the Roaring Twenties within its fictional narrative. That era, known for profound economic prosperity, the development of jazz music flapper culture, new technologies in communication (motion pictures, broadcast radio, recorded music) forging a genuine mass culture; and bootlegging, along with other criminal activity, is plausibly depicted in

Fitzgerald's novel. Fitzgerald uses many of these societal developments of the 1920s that were to build Gatsby's stories from many of the simple details like automobiles to broader themes like Fitzgerald's discreet allusions to the organized crime culture which was the source of Gatsby's fortune. Fitzgerald depicts the garish society of the Roaring Twenties by placing the book's plotline within the historical context of the era.

A critical analysis of Fitzgerald's great novel explores its intricate patterns, chronology, locations, imagery and use of colour, and how these contribute to a seamless interplay of social comedy and symbolic landscape.

The American Dream' is a phrase that has become an essential component of the American experience, a phrase that, once entered into the national lexicon, has come to define our nations identity, underlying nearly every aspect of our lives. And since the

Kirkus (STARRED review) "Churchwell... has written an excellent book... she ' s earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page. " The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, *Tales of the Jazz Age*. A spokesman for America ' s carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds ' triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond generating enormous publicity for the newfound celebrity participants. Proclaimed the “ crime of the decade ” even as its proceedings dragged on for years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in *The Great Gatsby*, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set within that fateful year. *Careless People* is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America ' s best loved novel. Overturning much of the received wisdom of the period, *Careless People* blends biography and history with lost newspaper accounts, letters, and newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald ' s masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall and Mills, *Careless People* is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America.
