*Witness for the Prosecution and Other Stories* is a collection of eleven tantalizing tales of murder and other criminal pursuits—including the classic title story, the basis for the 1957 Oscar-nominated Billy Wilder film starring Marlene Dietrich, Tyrone Power, and Charles Laughton. A murder trial takes a diabolical turn when the wife of the accused takes the stand. . . . A woman's sixth sense—and a loaded revolver—signal premonitions of doom. . . . A stranded motorist seeks refuge in a remote mansion and is greeted with a dire warning. . . . Detective Hercule Poirot faces his greatest challenge when his services are enlisted—by the victim—in a bizarre locked-room murder. From the stunning title story (which inspired the classic film thriller) to the rarest gems in detective fiction, these eleven tales of baffling crime and brilliant deduction showcase Agatha Christie at her dazzling best.

Although she is the most popular novelist in history, with over two billion books sold worldwide, Agatha Christie lived a life shrouded in secrecy and fueled by curiosity. Nearly as notorious for her aversion to the press as she was for her 80 books and collections of short stories, Christie made no secret of her need for privacy. Utilizing over 5,000 previously unpublished letters, notes, and documents, award-winning biographer Richard Hack allows Christie to write again, 33 years after her death. *Duchess of Death* is her story, as full of romance, travel, wealth, and scandal as any mystery Christie ever crafted. There have been numerous biographies of the Queen of Crime, all of which claim to be definitive. However, *Duchess of Death* is the first to draw from such an enormous number of previously unpublished correspondence and notes, effectively establishing it as the most authoritative, penetrating look at the personal and literary life of Christie.

Neville Canton was about as average as any man can be. He had a mediocre job, a pleasant wife, an on-going feud with his sister, and an average case of cancer that took his life. But death wasn't the end of his problems and even average people have to learn to overcome. Now trapped in a cloud between the living and the dead, he must find his way to the afterlife. With the help of a spiritual guide he navigates through seven challenges; seven tasks to sever his final connections to the mortal world. If he fails, he forfeits his eternity and the consequences may be worse than death.
