Thirty years in the making, Audacious is a deep dive into the message that has compelled Beth Moore to serve women around the globe. Glancing over the years of ministry behind her and strengthening her resolve to the call before her, she came to the realization that her vision for women was incomplete. It lacked something they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose. What was missing? Well, let's just say, it's audacious and it's for all of us. And it's the path to the life you were born to live.

The NIV Rainbow Study Bible has a unique color-coding system that allows readers to quickly and easily identify twelve major themes of Scripture throughout the text: God, discipleship, love, faith, sin, evil, salvation, family, outreach, commandments, history, and prophecy. Other features of this Bible include 12 pages of color maps with index, a Bible reading calendar, concordance, subject guide, Where to Find It, Outline of Old Testament History, "Know What God Says," Table of Weights and Measures, "100 Popular Bible Passages," and "365 Popular Bible Quotations for Memorization and Meditation."
