Introductory Statistics is designed for the one-semester, introduction to statistics course and is geared toward students majoring in fields other than math or engineering. This text assumes students have been exposed to intermediate algebra, and it focuses on the applications of statistical knowledge rather than the theory behind it. The foundation of this textbook is Collaborative Statistics, by Barbara Illowsky and Susan Dean. Additional topics, examples, and ample opportunities for practice have been added to each chapter. The development choices for this textbook were made with the guidance of many faculty members who are deeply involved in teaching this course. These choices led to innovations in art, terminology, and practical applications, all with a goal of increasing relevance and accessibility for students. We strove to make the discipline meaningful, so that students can draw from it a working knowledge that will enrich their future studies and help them make sense of the world around them. Coverage and Scope Chapter 1 Sampling and Data Chapter 2 Descriptive Statistics Chapter 3 Probability Topics Chapter 4 Discrete Random Variables Chapter 5 Continuous Random Variables Chapter 6 The Normal Distribution Chapter 7 The Central Limit Theorem Chapter 8 Confidence Intervals Chapter 9 Hypothesis Testing with One Sample Chapter 10 Hypothesis Testing with Two Samples Chapter 11 The Chi-Square Distribution Chapter 12 Linear Regression and Correlation Chapter 13 F Distribution and One-Way ANOVA

Inkkeeper’s daughters Adele and Eleda are “mirror twins”—identical twins whose looks are reflections of each other’s—and their special talents are like mirrors, too. Adele is a Safe-Keeper, entrusted with hearing and never revealing others’ secrets; Eleda is a Truth-Teller, who cannot tell a lie when asked a direct question. The town of Merendon relies on the twins, no one more than their best friend, Roelynn Karro, whose strict, wealthy father is determined to marry her off to the prince. When the girls are seventeen, a handsome dancing-master and his apprentice come to stay at the inn, and thus begins a chain of romance, mistaken identity, and some very surprising truths and falsehoods.

Getting through to someone is a fine art, indeed, but a critical one nonetheless. Whether you are dealing with a harried colleague, a stressed-out client, or an insecure spouse, things will go from bad to worse if you can’t break through emotional barricades and get your message thoroughly communicated and registered.Drawing on his experience as a psychiatrist, business consultant, and coach, author Mark Goulston shares simple but powerful techniques readers can use to break through the stubborn and hardened outer layers of coworkers, friends, strangers, or even enemies. Just Listen reveals how to:• Make a powerful and positive first impression• Listen effectively• Talk an angry or aggressive person away from an unproductive reaction and toward a more rational mindset• Achieve buy-in—the linchpin of all persuasion, negotiation, and sales• And moreWhether you’re dealing with an angry client, a potential customer, or even a friend or family member who isn’t seeing eye to eye with you, your goal is most likely persuasion. And the first make-or-break step to getting there is having them hear you out. The invaluable principles in Just Listen will get you through that first tough step with anyone.

Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys’ detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn’t take long for Stanley to realize there’s more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from Louis Sachar’s new middle-grade novel, Fuzzy Mud. "A smart jigsaw puzzle of a novel." --The New York Times WINNER OF THE BOSTON GLOBE-HORN BOOK AWARD A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK SELECTED FOR NUMEROUS BEST BOOK OF THE YEAR AND ALA HONORS

From one of America’s most popular short story writers and an Academy Award nominee: the O. Henry Award–winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion

Julie Stav has long made a name for herself as a financial guru with a solid media platform, and the know-how to make right your financial wrongs. With her most fun and mass appealing book to date, Stav points her financial acumen on what she considers the financial universe’s 5 existing financial personality types Structured much in the same way the signs of the Zodiac are organized (with each Zodiac sign representing its own set of character traits—both strengths AND weaknesses), THE MONEY IN YOU! segments 5 different financial types in this world, and why all of us fit into one more than we do the others. It is our understanding of our financial nature, or the way we innately view money matters, that drives our financial decisions. Mastering this nature is the key to unlocking our financial success. Once Stav helps readers figure out which best defines us, she then helps to create a solid plan around who we are, rather than change us with advice our financial nature is sure to reject. She also teaches the reader how to interact with the other financial types around us, in the relationships that are most important to us.

Max Anders' updated classic resource for learning the Bible in 30 days. Understand the Bible in 30 Days includes all the features that made the original so popular—plus much more. Proven effective by over 200,000 readers, Understand the Bible in 30 Days introduces you to key Bible characters, places, and events in chronological order so that you can "think your way through" the entire Word of God. Through interesting, memory-enhancing exercises, Understand the Bible in 30 Days acquaints readers with the core teachings of Scripture in just 15 minutes a day!

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she’d always live a privileged life on her family’s ranch in Mexico. She’d always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn’t ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama’s life, and her own, depend on it.

The Religions Book clearly and simply explains all of the important information about the world’s major, and many minor, religions, in an easy-to-access format. Using easy-to-follow graphics and artworks, succinct quotations, and thoroughly accessible text, The Religions Book explores the beliefs that underpin religious traditions around the globe and how they developed. From primal beliefs to the world’s great faiths and the continuing quest for spiritual meaning in our complex world, The Religions Book gets to the heart of what it means to believe in God and religion’s place in society. The Religions Book includes: - A dedicated section for each of the world’s five major faiths - Islam, Christianity, Judaism, Buddhism, and Hinduism - Primal beliefs, ancient and classical mythology, and new religions - Brief biographies and context boxes to give the full historical context of selected religions The clear and concise summaries, graphics, and quotations in The Religions Book will help even the complete novice understand the ideas behind faiths and the place of religion in the world.
