Plus, one can argue that Hurst does deserve all that money you give them (you'll have to read on to find out why). **Some Other Critiques About Hurst's Online System**

Hurst is good for content review, Kaplan helps you understand the test (like how the questions are worded and what to look for in answers) and Saunders was simply good for areas you might be weak in. I just took my NCLEX, got 75 questions and with the pvt I am getting the good pop up. This topic is now closed to further replies.
