able to communicate naturally isn't easy. In fact, the toughest part of learning Spanish is knowing how to speak like a native. Most textbooks are made to teach you the traditional rules and structures of a language and are great for getting around the grammar and spelling questions you may have. However, how many of them provide you the tools necessary to have a common conversation with a best friend or someone you've just met? Not many at all. Language learners often complain about this - a lack of material that can help you familiarize yourself with the most common phrases used in everyday conversation and in native surroundings. For this reason, we at Lingo Mastery have developed Easy Spanish Phrase Book: Over 1500 Common Phrases for Everyday Use and Travel for you, our favorite language-learner, so that you may find the best expressions for common
