"On his 18th birthday, Ryan Knighton was diagnosed with Retinitis Pigmentosa, a congenital, progressive disease marked by night-blindness, tunnel vision and, eventually, total blindness. In this memoir, he tells the story of his fifteen-year descent into blindness while incidentally illuminating the wonderful strangeness of our own, sighted world." "Knighton learns

Knighton
to drive while unseeing; has his first significant relationship - with a deaf woman; navigates the punk rock scene and men's washrooms; learns to use a cane; and tries to pass for seeing while teaching English to children in Korea. Stumbling literally and emotionally into darkness, into love, into adulthood, and into truce if not acceptance of his identity as a blind man, his experience of blindness offers unexpected insights into the senses."--Jacket.

Literary Nonfiction. Memoir. Set mid-to-late 20th century (with the heart of the book set in the 1950s and '60s), MY FATHER'S EYES is a loving daughter's memoir of a family coming to terms with a legacy of blindness, and a father's heroic efforts to secure independence and dignity. "Not many pages into this gloriously moving book, a feeling begins to grow that

it would have been a humbling yet exquisite experience to have sat and talked with Biagio John Bonina. What his daughter Mary Bonina has given us is a solid and lasting portrait of a man who was simple and complicated. (That is not a contradiction once you come to know him.)... America is a country of grand men and women who live on a modest scale, and no one fits that category more than he does. Once his eyes began to fail him, he lived even more for his family and its welfare and his efforts and work make him in my mind, the kind of real hero we fail to glorify anymore. So enter this book and come to know her father and his dedicated overwhelmingly loyal daughter, as well as a large stage of family members and friends who are unforgettable and insanely knowable and human."—Edward P. Jones "Mary Bonina casts her considerable spell with exquisite sentences and unerring

Download Ebook Eyed A Memoir Of Blindness Ryan

evocative details. She is a writer of inordinate compassion, formidable intelligence, and unflinching honesty. MY FATHER'S EYES documents a family's coming to grips with the legacy of blindness, a daughter's unflinching allegiance to her father, and one man's heroic determination to live a life of independence and quiet dignity despite obstacles that would crush the strongest of us. The book is an inspiration. When I finished reading it, I walked around for days seeing the world through its lens. Yes, it's that good. It's that important."—John Dufresne "Packard. Record player. Telephone party line. Fallout shelter. Holy Ghost. These and other blasts from the past make up the world of this beautiful, clear-eyed memoir that reads like a novel. It's partly the story of a girl who loved words on her way to becoming a writer. Of all the words in her

Knigh ton universe, the most important were eyes and seeing, for this was a girl growing up with a beloved father going blind.

Becoming his guide and his eyes, she becomes herself. And what a character he is! We come to know him as if we're all his children, one minute consumed with terror at the dangers he faces, and the next minute awed by his courage, and the next exasperated by his human flaws. And ultimately, we see and feel for ourselves what his daughter means when she says, 'I know about love from being my father's eyes.'"—Ellen Cooney

A mountaineer who was diagnosed with a degenerative eye disorder traces his struggle to ascend the "Seven Summits."

—from the foreword by Augusten Burroughs Ever since he was young, John Robison longed to connect with other people, but by the time he was a teenager, his odd habits—an inclination to blurt out non sequiturs, avoid eye contact, dismantle radios, and dig five-foot holes (and stick his younger brother, Augusten Burroughs, in them)—had earned him the label “social deviant.” It was not until he was forty that he was diagnosed with a form of autism called Asperger’s syndrome. That understanding transformed the way he saw himself—and the world. A born storyteller, Robison has written a moving, darkly funny memoir about a life that has taken him from developing exploding guitars for KISS to building a family of his own. It’s a strange, sly, indelible account—sometimes alien yet always deeply human.

The author of *Foreign Gods, Inc.* and *Arrows of Rain* tells his own immigrant's tale, where what is lost in translation is often as hilarious as it is harrowing. Okey Ndibe's funny, charming, and penetrating memoir tells of his move from Nigeria to America, where he came to edit the influential—but forever teetering on the verge of insolvency—*African Commentary* magazine. It recounts stories of Ndibe's relationships with Chinua Achebe, Wole Soyinka, and other literary figures; examines the differences between Nigerian and American etiquette and politics; recalls an incident of racial profiling just thirteen days after he arrived in the US, in which he was mistaken for a bank robber; considers American stereotypes about Africa (and vice-versa); and juxtaposes African folk tales with Wall Street trickery. All these stories and more come together in a generous,

Knightrn encompassing book about the making of a writer and a new American.

Amy Turner's about to graduate from high school and all she wants is a job. Actually, all she wants is to find a way to pay for college. Amy certainly isn't looking for love when she answers an ad to baby-sit a boy; she just needs the cash. But the job has a catch: The boy is blind...and he's her age. Tristan Edmund may be hot, but he doesn't want Amy's help. Or so he thinks. After being blinded in a horse show-jumping competition, Tristan spends his days in the dark, refusing to accept his disability. Much to his annoyance, Amy bursts into his life and drags him into the light. But just as the two begin to see something in each other, Tristan's beautiful ex-girlfriend shows up. Will the temptation be too much, or will Tristan choose the girl who really sees him?

Peter Nimble and His Fantastic Eyes is the utterly beguiling tale of a ten-year-old blind orphan who has been schooled in a life of thievery. One fateful afternoon, he steals a box from a mysterious traveling haberdasher—a box that contains three pairs of magical eyes. When he tries the first pair, he is instantly transported to a hidden island where he is presented with a special quest: to travel to the dangerous Vanished Kingdom and rescue a people in need. Along with his loyal sidekick—a knight who has been turned into an unfortunate combination of horse and cat—and the magic eyes, he embarks on an unforgettable, swashbuckling adventure to discover his true destiny. Praise for Peter Nimble and His Fantastic Eyes “Auxier has a juggler’s dexterity with prose that
