During a Tuesday press conference at Doral Academy Preparatory School, Florida Governor Ron DeSantis announced plans to end the annual standardized testing in Florida's schools.

It all began around 1492 when Giovanni Caboto, an Italian, changed his name to John Cabot and settled in Bristo, England with his wife Mattea and their three sons. John Cabot was an experienced mariner who owned a ship named Mathew. He moved to England because Italy would not support his efforts to explore the New World. In England King Henry VII agreed to support him if he sailed under the British flag. In 1497 Cabot landed on a large island and called it New Found Land and claimed the entire North

From bestselling author Todd Parr, a poignant and reassuring story about loss. Through the lens of a pet fish who has lost his companion, Todd Parr tells a moving and wholly accessible story about saying goodbye. Touching upon the host of emotions children experience, Todd reminds readers that it's okay not to know all the answers, and that someone will always be there to support them. An invaluable resource for life's toughest moments.
