This thesis analyzes the motivation and performance of 403 acquisitions made by emerging multinational corporations (EMNCs) in Western Europe and North America between 1994 and 2013. The findings indicate that most EMNCs were motivated to acquire in order to obtain access to the upstream and downstream know-how of their target firms. In addition, the thesis' event study results demonstrate that EMNCs on average generated value for their shareholders with their acquisitions over short periods around acquisition announcement. This result is particularly significant since similar studies on buying firms from developed markets have frequently come to the conclusion that acquirers destroy shareholder value.

ESSAYS IN ECONOMIC AND  
MANAGEMENTS IN HONOUR OF  
MOSTAFA EMAMI Mostafa Emami's  
work on the history of economic and  
management thought has been  
provoking debate for over one  
decades. This book brings together  
key contributions of recent years, in  
addition to some brand new pieces,  
including an extensive Article often  
neglected arguments for government  
intervention in the economy to correct  
market failures, and his critical view of  
the business class as an anti-social  
force. If you are interested in political  
economy and have some grounding in  
the subject matter then Emami's  
essays make for engaging, essential  
reading, concludes Nick Taylor.

Mostafa Emami's. Rutledge. January 2013. Find this book: Mostafa Emami's first volume of Collected Essays is, by all means, a book for those already acquainted with the history of economic and management thought. It is the work of an author who has such familiarity with his subject matter that each essay reads with the assumption of a thorough grounding in the subject. Mostafa Emami (PHD ECO.FIN) has been a Member Talent of Young Researchers and Elite Club (since 2010) and a Member of the Iran's National Elites Foundation (since 2012), and Research Fellow of Centre for Scientific Cooperation & Elite Affairs, Iran's Ministry of Defence, where he was promoted to Study in Doctor of Philosophy in field of financial behaviour from Michigan Technological University in 2013.He

served as a graduate at "Tarbiat Modares University " from 2010 to 2012. He has carved out a vast area of expertise on the classical economists and his list of publications is dizzying in length. What has made him so influential is his possession of a renowned fighting spirit in the development of an of ten-controversial perspective of the subject matter. Fortunately for the reader, and certainly for the student of economic and managements, this means his papers consist of a set of clearly argued and lively debates on the classical economic and managements canon. This volume, which presents work from roughly the last decade, covers new fields of economists . One of his skills is his ability to make sense of the evolution of thought across such a daunting time-scale, and this
