The physical and mental health of an employee influences attendance and quality of work. Indifferent health, lack of a sense of well-being, affects both the individual and the efficiency of the organisation. This book is intended to give general and specific guidance to the non-medical person involved with the health of people working in offices and similar surroundings, on the common cause of ill-health of staff and factors at work which influence health.

Homeopathy has a two-hundred year track record in helping people and animals to come through emergencies and common ailments. Christopher Day has condensed 43 years of veterinary practice experience into this ebook, to enable home treatment of the family pet, whether dog, cat, rabbit, budgerigar or tortoise, without danger of side effects and without risk of interfering with any concurrent veterinary drug medication. Fifty useful homeopathic medicines are briefly described and a treatment guide is given for scores of ailments and health problems. This is a handy ebook for anyone interested in self-help medication of their pets. Enhance pet health and well-being, while reducing veterinary bills. This ebook will save its price many times over, the first time it is used.

This is much more than just a 'first-aid' book. It details many common diseases and problems that a horse is likely to encounter, with suggested homeopathic treatments, gleaned from Christopher Day's 43 years of experience in equine homeopathy and holistic medicine. There are no fewer than 75 homeopathic medicines described. Almost 300 pages of practical help and guidance.
