You want to know how to really win at Fortnite? Keep reading... Our company is called Secret Gamer Guides and we are here to help you master all of the strategies needed in order to absolutely dominate at Battle Royale. The cool part is that you're not just getting the valuable information from our crew alone - we actually interview other top - level gamers from all over and compile their answers into easily read and super thorough guides. All of the info is current and up to date. Our reach is endless and we spend countless hours talking to everyone from known pros to High School students (who actually have a very tight knit community of their own when it comes to Fortnite: Battle Royale). Now, their secrets are your secrets... This guide is actually TWO books in ONE... Included you will get - 1. Our first book - 'A Fully Updated Secret Guide to the Newest Tips, Tricks and Strategies Only the Pros are Using' -This book not only shows you how to reach a Victory Royale if you're just starting out, but also how to get there more efficiently - even if you already have some wins under your belt. No matter what your Final Kill number is, you will see a significant improvement in your game after reading this guide. It is an A-Z detailed overview of everything you'll need to know in order to win at Fortnite: Battle Royale. Here's a quick look at just some of the topics covered: - Base building - Avoiding Storms - Gathering - Landing (best spots and why) - Building traps - Best places to loot - Complete weapons guide and theory - High ground strategies - Cloud strategies - Robbing corpses - Mistakes to avoid!! ... and much more. 2. Our second book - 'Building- An in Depth Look at the Most Important Skill Needed to Dominate Like a Top Player' -This is a book focused purely on building. That's right - a guide dedicated to just this one aspect of the game! WHY you ask? Because without a real understanding of this skillset, your chances of being the last one standing aren't as good as they could be. Of course, you could play and play - eventually learning how to build somewhat correctly - but we're guessing you might want to save yourself some time and sanity! Well, here you go... Also, in this book you'll learn WHY your building a certain way which will set you up for an amazing offense! Here are some of the topics covered in this book: - Panic wall and ramps - Editing buildings - Creating cover on the move - The funnel - Door importance - Build to loot - Healing bases - Why wider? - Optimize settings - Treasure hunting - Tree buildsand a lot more. We are pretty serious about all of this but obviously at the end of the day, the main idea here is to have fun. We'll guess what? WINNING is fun!! That's why we make these guides! Oh- did we mention that there are links to our own original beats that you can listen to while you play? That's right - every book has a different track! Ready to step up and join the next level of players quickly? Head back up to the BUY NOW button above and get to know these TWO important books!

Over 270 screenshots with expert instructions! The ultimate Fortnite strategy guide with the tips and tricks you need! The best Fortnite book for kids eight and up, this full-color, unofficial strategy guide is a comprehensive guide to Fortnite: Battle Royale. This Fortnite guide book focuses heavily on what to expect throughout the island. Important locations on the Fortnite island are referred to as points of interest. Regardless of your experience or skill level playing the Fortnite: Battle Royale game, or which gaming platform you're playing on, you'll discover how the terrain dramatically varies based on where you are on the map. In addition to learning essential information about each point of interest, in this Fortnite Battle Royale book, you'll learn: Proven tips and strategies for location-specific fighting How and where to collect weapons, ammo, items, and loot How and why you need to gather resources (wood, stone, and metal) How to build structures, ramps, bridges, and fortresses How to safely explore and travel between points of interest on the island How to safely navigate around based on the location of the deadly storm - which makes an ever-growing portion of the island uninhabitable as each battle progresses Fortnite Battle Royale Hacks: Secrets of the Island is the complete Fortnite Battle Royale cheat book that showcases each point of interest using text and screenshots, so you can become intimately familiar with the important locations you'll be visiting during the action-packed battles in the game. Fortnite Battle Royale Hacks: Secrets of the Island takes a geography-based approach to helping you become victorious, while also providing essential fighting, building, and exploring strategies that will prove extremely valuable during each battle. Because this Fortnite: Battle Royale tips book never offers the same play experience twice (since how the action unfolds depends heavily on the actions of the other 99 human players also on the island), this unofficial guide will teach you to adapt your offensive and defensive fighting strategies as needed to dramatically increase your chance of survival during each and every action-packed battle, regardless of where on the island a battle is taking place.

In addition to the Solo game play mode (which pits each gamer up against up to 99 others in a real-time battle), the Duos mode allows gamers to team up with one friend in a quest to defeat all other gamers during a match. Meanwhile, the Squads mode allows teams of four players to enter into a match and work together as they battle against up to 96 other gamers. The Duos and Squads game play modes are permanent features built into the game, and they've proven to be extremely popular, since Fortnite: Battle Royale is, for the most part, cross-platform compatible. Thus, someone experiencing the game on a PS4 can team up with a PC user, for example, to play against a random section of other gamers, in real-time. An Encyclopedia of Strategies for Fortnitters: Duos and Squads Strategies will be the first book in this unofficial strategy guide series to offer in-depth coverage of Fortnite: Battle Royale's team-oriented game play modes. Thus, this unofficial strategy guide will be chock full of proven strategies and game play tips designed to help teams achieve victory in the Fortnite: Battle Royale matches they participate in. This expanded (approximately 176-page) guide will include a comprehensive overview of the Fortnite: Battle Royale game, with a special focus on the game's team-oriented game play modes. The full-color book will appeal to readers age 8 and up, regardless of which gaming platform they're using. Throughout each match, gamers must: Focus on survival Avoid the deadly storm Explore the island Gather resources Build structures and fortresses Find, collect, and utilize weapons and ammunition Acquire and use loot items Engage in combat against enemy soldiers with the goal of becoming the last person alive at the end of the match When experiencing any of the team-oriented game play modes, cooperative gameplay (teamwork) and communication with team members become vital. An Encyclopedia of Duos and Squads Strategies will soon be an indispensable resource for gamers experiencing the Duos or Squads game play modes (or any of the other team-oriented game play modes added to Fortnite: Battle Royale on a temporary basis).
