Acomplete solution for literacy at Key Stage 2

Focus on Comprehension offers three levels of differentiated activities designed to help children develop a wide range of comprehension skills. Already a popular solution for SATs comprehension practice, this new program follows the range of texts and objectives required by the National Literacy Strategy Framework for Teaching.

Written by an experienced teacher and literacy consultant, Planning to Teach Writing offers an easy-to-use, tried-and-tested framework that will reduce teachers' planning time while raising standards in writing. Using the circles planning approach, it provides fresh inspiration for teachers who want to engage and enthuse their pupils, with exciting and varied hooks into writing, including picture books, short stories, novels and films. Exploring effective assessment practice, each chapter puts the needs and interests of pupils at the forefront of planning, and models how to design units of work that will lead to high-quality writing outcomes in any primary school classroom. The book uses a simple formula for success: 1 Find the gaps in learning for your students. 2 Choose a hook that you know will engage your students. 3 Select a unit plan that you know will support you to get the best writing out of your students. 4 Tailor it. 5 Teach it! With a fantastic range of hooks to inspire teaching and learning, Planning to Teach Writing ensures successful planning that will maximise engagement, enjoyment and achievement. This book is an accessible and necessary resource for any teacher planning to teach writing in their classroom.
