Henna House Nomi Eve

HENNA HOUSE is beautifully written. The author's descriptions are vivid and are imprinted on the reader's senses to the point that, it's possible to visualize, smell, hear, see, and taste the exotic Yemen that's portrayed. Characters are clearly written and author Nomi Eve gives each their own voice and points of view.

In the tradition of Anita Diamant's *The Red Tent*, Henna House is the enthralling story of a woman, her family, their community, and the rituals that bind them. Nomi Eve's vivid saga begins in Yemen in 1920, when Adela Damari's parents desperately seek a future husband for their young daughter.

Henna House | Nomi Eve

Henna House by Nomi Eve is a beautifully written story of a young woman growing up in Yemen during the 1920s and 1930s. Right away, I was transported back in time to a very primitive world, a world without any kind of modern day conveniences, a world where religion and superstitions played a central role in the lives of the people.

Henna House by Nomi Eve - Goodreads

Nomi Eve's lavishly imagined account begins in Palestine in 1837, with the tale of the irrepressible family matriarch, Esther, who was lured by the smell of baking bread into an affair with the local baker. Esther passes on her passionate nature to her son, Eliezer, whose love for the forbidden Golda threatened to tear the family apart.

"In Yemen in 1920 ... Adela Damari's parents desperately seek a future husband for their young daughter. After passage of the Orphan's Decree, any unbetrothed Jewish child left orphaned will be instantly adopted by the local Muslim community. With her parents' health failing, and no spousal prospects in sight, Adela's situation looks dire until her uncle arrives from a faraway city, bringing with him a cousin and aunt who introduce Adela to the powerful rituals of henna tattooing"--Amazon.com.

In the bestselling tradition of *The Red Tent*, *The Family Orchard* is a spellbinding novel of one unforgettable family, the orchard they've tended for generations, and a love story that transcends the ages. Nomi Eve's lavishly imagined account begins in Palestine in 1837, with the tale of the irrepressible family matriach, Esther, who was lured by the smell of baking bread into an affair with the local baker. Esther passes on her passionate nature to her son, Eliezer, whose love for the forbidden Golda threatened to tear the family apart. And to her granddaughter, Avra the thief, a tiny wisp of a girl who thumbed her nose at her elders by swiping precious stones from the local bazaar--and grew to marry a man she met at the scene of a crime. At once epic and intimate, *The Family Orchard* is a rich historical tapestry of passion and tradition from a storyteller of beguiling power.

Online Library Henna House Nomi Eve

In this Bonnie and Clyde story of love and betrayal, a band of outlaws fight for control of the brutal Brazilian outback. Set in the sparse frontier settlements of northeastern Brazil—a dry, forbidding, and wild region the size of Texas, known locally as the Sertao—Backlands tells the true story of a group of nomadic outlaws who reigned over the area from about 1922 until 1938. Taking from the rich, admired—and feared—by the poor, they were led by the famously charismatic bandit Lampiao. The gang maintained their influence by fighting off all the police and soldiers the region could muster. A one-eyed goat rancher who first set out to avenge his father's murder in a lawless land, Lampiao proved to be too good a leader, fighter, and strategist to ever return home again. By 1925 he commanded the biggest gang of outlaws in Brazil. Known to this day as a "prince," Lampiao had everything: brains, money, power, charisma, and luck. Everything but love, until he met Maria Bonita. "You teach me to make lace, and I'll teach you to make love"—this was the song the bandits marched to, across the vast open reaches of their starkly beautiful backlands, and it was Maria Bonita who made it come true. She was stuck in a loveless marriage when she met Lampiao, but she rode off with him, becoming "Queen of the Bandits." Together the couple—still celebrated folk heroes—would become the country's most wanted figures, protecting their extraordinary freedom through cunning. Victoria Shorr's stunning literary debut tells Maria's story, her narrative of the intense freedoms, terrors, and sorrows of this chosen life, the end of which is clear to her all along. With the federal

Online Library Henna House Nomi Eve

government in Rio mobilizing against the bandits, *Backlands* describes the epic final days of Lampiao's "fatal month," July on the River of Disorder, as the gang struggles to summon their good star to save them one more time.

An unforgettable novel about a Greek American family and its enigmatic patriarch from a significant new voice in contemporary literature: "Hilarious yet rich...This debut by Annie Lontas will touch you" (The New York Times). Stavros Stavros Mavrakis, Greek immigrant and proud owner of the Gala Diner, believes he has just ten days to live. As he prepares for his final hours, he sends a scathing email to his ex-wife and three grown daughters, outlining his wishes for how they each might better live their lives. With varying degrees of laughter and scorn, his family and friends dismiss his behavior as nothing more than a plea for attention, but when Stavros disappears, those closest to him are forced to confront the possibility of his death. A vibrant tour de force that races to a surprising conclusion, *Let Me Explain You* is told from multiple perspectives: Stavros Stavros, brimming with pride and cursing in broken English; his eldest daughter Stavroula, a talented chef in love with her boss's daughter; her sister, the wounded but resilient Litza; and many other voices who compose a veritable Greek chorus. Funny yet deeply moving, this "pitch perfect" (San Francisco Chronicle) novel delivers a thoughtful meditation on the power of storytelling. In *Let Me Explain You*, Annie Lontas explores our origins and family myths, the relationship between fathers and daughters, the complex bond of sisterhood, hunger and what feeds us, but "the novel's true heart is one

Online Library Henna House Nomi Eve

filled with love and forgiveness" (Minneapolis Star-Tribune).

Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

Ruth loves to bake cakes. When she is alone, she dreams up variations on recipes. When she meditates, she imagines herself in the warm, comforting center of a gigantic bundt cake. If there is a crisis, she bakes a cake; if there is a reason to celebrate, she bakes a cake. Ruth sees it as an outward manifestation of an inner need to nurture her family—which is a good thing, because all of a sudden that family is rapidly expanding. First, her mother moves in after robbers kick in her front door in broad daylight. Then Ruth's father, a lounge singer, who she's seen only occasionally throughout her life, shatters both wrists and, having nowhere else to go, moves in, too. Her mother and father just happen to hate each other with a deep and poisonous emotion reserved only for life-long enemies. Oh, yes indeed! Add to this mix two teenagers, a gainfully employed husband who is suddenly without a job, and a physical therapist with the instincts of a Cheryl Richardson and you've got a delightful and amusing concoction that comes with its own delicious icing. One of Jeanne Ray's specialties is giving us believable, totally likable characters, engaged in the large and small dramas and amusements of life. *Eat Cake* is whimsical, warm, and satisfying. *Eat Cake* is Jeanne Ray at her best. Pull up a chair and eat cake!

Online Library Henna House Nomi Eve

A stunning exploration of characters shaped by the forces of history, the debut work of fiction by a National Book Foundation "5 Under 35" Honoree. Moving from modern-day Jerusalem to McCarthy-era Los Angeles to communist Prague and back again, *The UnAmericans* is a stunning exploration of characters shaped by the forces of history. Molly Antopol's critically acclaimed debut will long be remembered for its "poise and gravity" (New York Times), each story "so full of heartache and humor, love and life...[it's] as though we're absorbing a novel's worth of insight" (Jesmyn Ward, Salon).

Wicked wolves and a grim governess threaten Bonnie and her cousin Sylvia when Bonnie's parents leave Willoughby Chase for a sea voyage. Left in the care of the cruel Miss Slighcarp, the girls can hardly believe what is happening to their once happy home. The servants are dismissed, the furniture is sold, and Bonnie and Sylvia are sent to a prison-like orphan school. It seems as if the endless hours of drudgery will never cease. With the help of Simon the gooseboy and his flock, they escape. But how will they ever get Willoughby Chase free from the clutches of the evil Miss Slighcarp?

Now in paperback: The New York Times bestselling memoir hailed as "unforgettable" (Publishers Weekly) and "a stunning memoir of cultural trauma and personal identity" (Booklist). At age 38, Jennifer Teege happened to pluck a

Online Library Henna House Nomi Eve

library book from the shelf—and discovered a horrifying fact: Her grandfather was Amon Goeth, the vicious Nazi commandant depicted in Schindler's List. Reviled as the "butcher of Płaszów," Goeth was executed in 1946. The more Teege learned about him, the more certain she became: If her grandfather had met her—a black woman—he would have killed her. Teege's discovery sends her into a severe depression—and fills her with questions: Why did her birth mother withhold this chilling secret? How could her grandmother have loved a mass murderer? Can evil be inherited? Teege's story is cowritten by Nikola Sellmair, who also adds historical context and insight from Teege's family and friends, in an interwoven narrative. Ultimately, Teege's search for the truth leads her, step by step, to the possibility of her own liberation.

Rosemary Fell was born into privilege. She has wealth, well-connected friends, and a handsome fiancé, Philip Alsop. Finally she has everything she wants. It is then, in a moment of beneficence, that Rosemary invites Eleanor Smith, a penniless young woman she sees under a streetlamp in the rain, into her home for a cup of tea. While there, Rosemary sees Eleanor exchange an unmistakable look with Philip, and she sends Eleanor on her way. But she cannot undo this chance encounter, and it leads to a tempestuous and all-consuming love triangle -- until the tides of war throw all their lives off balance. Inspired by a classic Katherine Mansfield short story, *A Cup of Tea* engages with its vivid -- and often amusing -- cast of characters, wonderful period detail, brilliant evocation of the uncertain days of

Online Library Henna House Nomi Eve

World War I, and delightfully spare and picturesque sense of story.
