I live in Sydney Australia with my husband and two white cats. I also have Bi-polar and schizo-effective disorder. Which means that I can't work full time so writing is an excellent way to make a bit of extra cash as well as have a creative outlet. I also have studied acting and singing but I have found my true calling to be writing, in which I hope I can also inspire other people to follow their dreams. I also love of course reading and watching movies. My good friend Rebecca Issac drew the illustations for the book. In which I think she has done an excellent job. I hope you enjoy reading little Peter potty mouth and I look forward to reading some feedback.
yours sincerely Sabina Bucik

The Honda K-Series engine was introduced in 2001, replacing the B-Series as the engine of choice for Honda enthusiasts. These new K-Series engines are the most powerful stock Honda/Acura engines you can get. They featured new technology such as a roller rocker valvetrain, better flowing heads, and advanced variable cam timing technology that made these engines suddenly the thing to have. And that's
