An innovative instructional solution that develops students' understanding of the Common Core State Standards in an interactive format while addressing the Standards for Mathematical Practices.

California GO Math! is specifically designed for California teachers and students to ensure success with California Common Core Standards and the Smarter Balanced Assessment. California GO Math! K-6 incorporates mathematical practices in every lesson so students develop the mathematical thinking they need. It features exploration-driven lessons that begin with problem-based situations and build to more abstract problems. It includes resources to personalize instruction for RTI, online assessment, and ongoing data to inform instruction for Intervention, ELD, and challenge. --Publisher's website.

Go Math! offers an engaging and interactive approach to covering the Common Core State Standards. This Grade K student edition is organized into individual chapter booklets and comes with a student resource book.

GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The new Standards Practice Book, packaged with the Student Edition, helps students achieve fluency, speed, and confidence with grade-level concepts. GO Math! is the first K-6 math program written to align with the Common Core. With GO Math! you will hit the ground running and have everything you need to teach the Common Core State Standards. GO Math! combines fresh teaching approaches with everything needed to address the rigors of the Common Core Standards. Using a unique write-in student text at every grade, students represent, solve, and explain -- all in one place. - Publisher.
