The "U" in the title of this book represents a U-turn. A 180-degree turn from the direction you're going now. This book is all about "U." Because all of us have things in our lives that we know we should change. We may even have a strong desire to change certain behaviors about ourselves, but for some reason or another we don't. We make excuse after excuse for continuing this displeasing behavior. This straightforward and to the point book, as told by the self-explanatory title, challenges the reader to "Get That Monkey Off Your Own Back!" The goal being to get you to change your perception. Because the way you see things will affect the way you react to those things. This book implores the reader to "Think About It." Don't just read it and forget it. Think about what is being said. With such chapters as "Self Motivation," "Practice! Practice! Practice!" and "Why Worry?" this book promises to be an enjoyable and thought provoking read. So if you've got something about yourself that you'd like to change, read U! Get That Monkey Off Your Own Back! and discover the hidden power in "U." Something to think about: From the day you are born, you face numerous choices. You hear advice and viewpoints from various voices. Some say do it. Some say don't. Some say you will. Some say you won't. But in this maze of life, with its many doors. The choice has always been, and will always be . . . YOURS!

With classes specializing in immersion, our rag tag group from Blue Island, Illinois seems primed and ready to jump right into their studies. But just as our gang is settling into their new classroom, Ti-Chan finds himself being stalked by a mysterious and beautiful blonde named Mindy, who has seemingly enchanted the entire school. Something about this young lady has caught Tige's attention, and it seems only Ki-Chan knows something is off about the whole thing. As if having her budding new romance thrown into jeopardy isn't bad enough, the yellow capped kid finds her past being plastered all over social and televised media, as the school learns about her out of control super powers! Students are going missing, a monster is on the loose, and the demons are hot on Ki-Chan's trail. Just who is Mindy, and what is the true nature of the power she wields over the campus? And can Ki-Chan and Ti-Chan overcome this dangerous damsel before the bell rings? This special Black and White edition is the second in a series of illustrated light novels by cartoonist and author Koriander Bullard.
