Second book in the Neely Kate Mystery series, a companion series to Rose Gardner Investigations. Neely Kate's life is finally coming together. She's living and working with her best friend, Rose. Her newly discovered brother, Joe, has decided he's done hiding that she's his sister, and her new boyfriend, Jed, is everything she could have dreamed of and more. Only things aren't going as well as she'd hoped. Neely Kate is still keeping secrets from Rose. Joe wants to introduce her as his sister at a high society dinner even though she doesn't know the difference between a soup and a dessert spoon. And Jed is spending more and more time away from her and won't tell her what he's up to. She's worried he's changed his mind about them, not that she's surprised—can you build a relationship on digging up a body together? Now someone's calling Neely Kate about her Ardmere secrets, and her sister Kate might be locked up on a psych ward, but she has a few surprises of her own. Neely Kate can't help wondering if it's time to come clean about her past with the people she loves. The dead body that turns up in her basement might be the kick in the pants she needs. Because the truth will set you free, or if you're Neely Kate, land you in hot water. Series order: Rose Gardner Investigations Series Family Jewels For the Birds Hell in a Handbasket Up Shute Creek (Fall 2018) Neely Kate Mystery Series Trailer Trash In High Cotton (July 31, 2018)

Neely Kate Mystery series is a companion book to the Rose Gardner Investigation series. Neely Kate Coulson's life is a carefully built house of cards—and now her newly discovered half-sister is threatening to collapse it. While everyone thinks Kate Simmons was neutralized when she was incarcerated in a psych ward, Neely Kate knows better. Her sister has been sending her letters threatening to expose her past, only Neely Kate has stuffed so many secrets into every available crack and cranny, she has no idea which ones could be dragged into the light. Growing up with an abusive, drug addicted mother taught Neely Kate to play the game—to be whoever she needs to be in whatever situation she finds herself in. But thanks to her best friend, Rose, she's discovered she mostly prefers being herself. For the first time in her life, she has a lot to lose—a job, a plan for the future, and an adoring half-brother who happens to be the Chief Deputy Sheriff of Fenton County. But topple one card down, and all of them will fall. Everything she's built could be lost in an instant. Neely Kate knows she needs help, but when she reluctantly turns to Rose's bodyguard, Jed Carlisle, she faces a far more dangerous

threat—only this time her heart is on the line.

The final book in the USA Today bestselling Neely Kate Mystery series. Violet Gardner Beauregard is barely cold in her grave, but she's still stirring up trouble. When Neely Kate Coulson accompanies her best friend Rose to Violet's attorney for the reading of the will, they get the shock of their lives, one that leaves them both reeling. If that weren't enough, Special Prosecutor Mason Devereaux is still calling witnesses for his grand jury, digging into the corruption in Fenton County. Neely Kate is approached by an unexpected source who reveals shocking news from the grand jury testimony—information about her wayward husband, Ronnie Coulson. And just as all the dust starts flying, Kate Simmons sashays back into town. Kate presents an opportunity Neely Kate finds hard to resist—the chance to find out why a Dallas crime syndicate wants the bag of money Neely Kate took from a man she'd killed in self defense years ago. With Kate involved, there's a catch. Kate will only tell her what she wants to know if Neely Kate leaves town with her. Immediately. Can Neely Kate afford to take the risk? Can she afford not to? Reading order: Family Jewels (Rose Gardner Investigations #1) Trailer Trash (Neely Kate Mystery #1) For the Birds (Rose #2) Hell in a Handbasket (Rose #3) In High Cotton (Neely Kate #2) Up Shute Creek (Rose #4) Come Rain or Shine (Rose #5)) Dirty Money (Neely Kate #3) When the Bough Breaks (Rose #6)

The third book in the New York Times Bestselling Rose Gardner Investigations Mystery series. They say the road to hell is paved in good intentions, and Rose Gardner can't shake the notion she's headed there in a handbasket. She feels responsible for the death of a woman she tried—and failed—to save with her visions, and though she intends to do the "right" thing and tell James Malcolm she can't possibly accept his offer of a relationship, she hasn't yet mustered the strength. Worst of all, her sister is terminally ill, and there isn't a thing she can do to save her. When a new case falls into Rose's lap, she eagerly shifts her attention to someone else's problems—except it's Henryetta, and every person, and problem, is somehow connected. The case will bring her back into contact with James, whom she still hasn't answered, and force her to confront her past in other unexpected ways. Meanwhile, Rose and Neely Kate find themselves playing host to an unlikely house guest. Helping the stranger may require them to become more entangled with the crime world, something Rose knows she should avoid. She and Neely Kate have the very best of intentions, but are those intentions ushering them down a path they can't easily leave? Rose Gardner Investigations Series Family Jewels For the Birds Hell in a Handbasket Up Shute Creek (Fall 2018) Neely Kate Mystery Trailer Trash In High Cotton (July 31, 2018)

Book four in the New York Times bestselling Rose Gardner Investigations series. Rose Gardner feels like she's up a creek without a paddle. Her sister is dying, her secret boyfriend, James Malcolm, is struggling to protect the county underworld from an upstart drug dealer, and her ex has moved back to town with a bee in his bonnet and a mission to root out corruption in the county. To make matters worse, Neely Kate is in dire straits too—the past she's spent years trying to forget has finally caught up to her, with horrific fallout. They're in the thick of danger, and everyone's quick to tell them they'd do best to hunker down and keep to themselves. But mysteries have a way of finding Rose and Neely Kate. A mother contacts them about finding her missing teenage daughter the same day they find a different young woman stranded by the side of the road. They know they should turn down the case, just as they should ignore the signs that the woman with the broken down car is running from something, but for Rose and Neely Kate, curiosity will always have a stronger call than danger. Jewels (Rose Gardner Investigations #1) Trailer Trash (Neely Kate Mystery #1) For the Birds (Rose #2) Hell in a Handbasket (Rose #3) In High Cotton (Neely Kate #2) Up Shute Creek (Rose #4) Dirty Money (Neely Kate #3) --Late Sprin

Rose Gardner collects secrets the way other people collect junk—and now she's being asked to expose them. Special Prosecutor Mason Deveraux has called a grand jury to investigate the corruption in the Sweet Branch Police Department, and he's summoned Rose as a witness. Any topic is fair game, and the criminals in Fenton county are rightly scared of what she might share under oath. While trying to placate the lawless men, Rose is also caring for her dying sister, Violet. Only Violet's doctor has fled town after selling prescriptions, and Rose is sure big-time drug dealer Denny Carmichael has his hand in the situation. She has no intention of investigating, but like with a lot of her cases, clues keep falling into her lap. Then, just when it feels like everything's at a boiling point, Rose gets shocking news that turns her life upside down. Now, she's not just soothing the criminals' anxiety, but actively seeking allies for a fight she hasn't asked for—and her enemy just might be the man she loves.

Megan Vandemeer meant to tell her parents about her broken engagement, but a month and a half later she finds herself boarding a plane home to her wedding. Having stretched avoidance to its limits, it's time to come clean--a terrifying prospect since her mother is sure to blame her rather than her cheating, emotionally frigid ex. A couple of drinks and two Dramamine later, Megan finds herself spilling her sob story to the tall, dark, and handsome stranger in the seat next to her. With only one week left to save his business, Josh McMillan boards a plane to Kansas City in a last-ditch effort, leaving the details to chance. An unexpected answer is delivered in the form of the beautiful brunette beside him. Though she's completely loopy, her honesty, openness, and humor charm him. So when she passes out before landing, he helps her off the plane--a good deed that leads to a colossal misunderstanding. Her parents assume he's her fiancé. In a twist of fate, the mix-up might help Josh save his business, so he plays along, figuring he can help Megan too. All he has to do is stage a public break up convincing enough to appease her mother. Josh is only supposed to be a substitute groom, but the more time he and Megan spend together, the more their pretend engagement starts to feel real...and the less they want to break it off. Can a relationship that began as a farce turn into happily ever after?

The final book of the New York Times, Wall Street Journal, and USA Today bestselling Rose Gardner Investigations series. When a body shows up south of Henryetta, Rose knows trouble is on the horizon. Rufus Wilson worked for the county crime lord, Skeeter Malcolm, and she soon discovers Wilson had a special skill set—he could crack safes. Now everyone is looking for Wilson's girlfriend, including Rose, and it doesn't take her long to realize Wilson's murder might actually be connected to something else, something bigger. Hardshaw Group, a Dallas crime syndicate, is meeting a South American drug cartel in the county, only no one knows the time and place. Denny Carmichael's drug empire has a lot to lose if they move in, so now he's calling in the favor he insists Rose owes him—find him the time and location. Or else. Rose is a hair's breadth away from losing everyone she loves, including her six-week-old daughter, and she'll do anything she can to save them.

\*Finalist for the Pulitzer Prize and the National Book Critics Circle Award\* \*A New York Times Notable Book\* \*Winner of the Texas Book Award and the Oklahoma Book Award\* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West “is nothing short of a revelation...will leave dust and blood on your jeans” (The New York Times Book Review).

Empire of the Summer Moon spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history.
