Some of the frequently asked exam questions on international marketing are as follows: Q.1. State and discuss the principle underlying international trade. Ans. International trade is a trade among countries or different geographical areas. The earliest trade between countries occurred when they were able to supply one another with goods which they were unable to produce for themselves.

The International Business BSc is a highly relevant course in today's commercial climate. It covers the fundamentals of national and international market economies and looks at the many forces that shape the operating environments of organisations worldwide. The emphasis of this degree is on the challenges created by globalisation, challenges which are particularly relevant to multinational enterprises (MNEs) as they account for over fifty percent of global output.

Electronic Inspection Copy available for instructors here The Sage Course Companion on International Business is an easy-to-navigate support guide to the International Business curriculum. It will allow readers to extend their understanding of key concepts and enhance their thinking skills in line with course requirements. This book also provides guidance on essential study skills and advice on developing critical thinking about international business. Designed to compliment existing textbooks for the course, the Companion provides: - A helpful overview of International Business key concepts and theories in support of your course expectations - Tips, notes and possible exam questions to help you remember key points and International business issues - 'Going further' sections to help you on your way to earning extra marks - Guidance and exercises to aid study and revision skills - Pointers to success in exams and written exercises The Sage Course Companion in International Business is much more than a revision guide; it is an essential tool that will help readers take their course understanding to new levels and help them achieve success in their undergraduate course.
