a new self-publisher who already wrote a book, who is about to embark on the Amazon self-publishing adventure, and doesn't have any capital to work with. If you don't have a platform, if you don't have any social media reach, if you don't have a "network" or a "tribe" or a "street team," or if you don't have powerful online friends with lots of followers, then you are in the right place! If your social reach is small and your platform is a failed blog, then this is a book that will help you. If you are an introvert or a reclusive writer, horrified by the thoughts about marketing your work, then this is the book for you. However, you won't find any information here on how to brainstorm a topic for your book or how to pick a niche or how to commit yourself writing 2000 words per day. This information is for authors who have already written a book and are getting ready to publish it. I used this launch strategy and I hit Amazon #1 four times and all my other titles launched this way became at least #4 in their categories. Would You Like To Know More?
