will meet their fate together."--Back cover.

This #1 New York Times bestseller and deliciously creepy horror novel has a storyline inspired by the Ripper murders and an unexpected, blood-chilling conclusion. Seventeen-year-old Audrey Rose Wadsworth was born a lord's daughter, with a life of wealth and privilege stretched out before her. But between the social teas and silk dress fittings, she leads a forbidden secret life. Against her stern father's wishes and society's expectations, Audrey often slips away to her uncle's laboratory to study the gruesome practice of forensic medicine. When her work on a string of savagely killed corpses drags Audrey into the investigation of a serial murderer, her search for answers brings her close to her own sheltered world. The story's shocking twists and turns, augmented with real, sinister period photos, will make this dazzling, #1 New York Times bestselling debut from author Kerri Maniscalco impossible to forget.

In this shocking finale to the bestselling series that began with *Stalking Jack the Ripper*, Audrey Rose and Thomas are on the hunt for the depraved, elusive killer known as the White City Devil. A deadly game of cat-and-mouse has them fighting to stay one step ahead of the brilliant serial killer -- or see their fateful romance cut short by unspeakable tragedy. Audrey Rose Wadsworth and Thomas Cresswell have landed in America, a bold, brash land unlike the genteel streets of London. But like London, the city of Chicago hides its dark secrets well. When the two attend the spectacular World's Fair, they find the once-in-a-lifetime event tainted with reports of missing people and unsolved murders. Determined to help, Audrey Rose and Thomas begin their investigations, only to find themselves facing a serial killer unlike any they've encountered before. Identifying him is one thing, but capturing him--and getting dangerously lost in the infamous Murder Hotel he constructed as a terrifying torture device---is another. Will Audrey Rose and Thomas see their last mystery to the end---together and in love---or will their fortunes finally run out when their most depraved adversary makes one final, devastating kill?
