The Kreutzer Sonata is a novella by Leo Tolstoy, named after Beethoven's Kreutzer Sonata. The novella was published in 1889, and was promptly censored by the Russian authorities. The work is an argument for the ideal of sexual abstinence and an in-depth first-person description of jealous rage. The main character, Pozdnyshov, relates the events leading up to his killing of his wife: in his analysis, the root causes for the deed were the "animal excesses" and "swinish connection" governing the re

Sonata a Kreutzer - Viquipèdia, l'enciclopèdia lliure

La Sonata a Kreutzer è un romanzo breve scritto da Tolstoj subito dopo la sua riscoperta del messaggio evangelico. Fu il frutto di un lungo lavoro e fu riscritto diverse volte prima di essere pubblicato nel 1891. La storia si svolge nel corso di un viaggio in treno.

Escrita a lo largo de 1889, en una etapa dominada por una crisis ética y personal, así como por la revisión de diversos principios morales, Lev Tolstói (1828-1910) quiso reafirmar en " La sonata a Kreutzer " los valores del espíritu frente al precipitado fluir de las pasiones y los sentidos. En muchos aspectos trasunto novelado de su relación con su esposa Sofía Andreievna, así como de episodios reales, la novela, en la que se revela la influencia del naturalismo, es un minucioso y despiadado análisis de una relación matrimonial común en la sociedad enferma en la que los protagonistas se mueven, realizado a través de la visión crítica y dolorida de un espíritu atormentado por la mediocridad y la fragilidad de la naturaleza humana. Traducción de Irene y Laura Andresco

Aggressivo, cinico, selvaggio, eppure stranamente inquietante: tale appare Pozdnyšev agli occasionali compagni di viaggio che in una notte di primavera, nella penombra di un treno in corsa nella campagna russa, ascoltano sbigottiti la sua torbida storia di uxoricida. Quella di Pozdnyšev è ben più di una confessione: è un'analisi impietosa del matrimonio, della condizione della donna, della gelosia e dell'amore. Le sue tesi rivelano verità crudeli, dissolvendo i miti tradizionali della famiglia e della felicità coniugale. Qual è la realtà del matrimonio borghese? Esiste in esso la possibilità dell'amore? Che rapporto c'è fra cultura e natura? Interrogativi che percorrono tutta l'opera di Tolstoj, ma che solo nella Sonata a Kreutzer vengono espressi in forma tanto esasperata da sfociare nel nichilismo.

León Tolstoi (1828-1910) escribió estas dos novelas tras un período de replanteamiento de valores morales y sociales que le llevó a buscar respuestas en diversas fuentes filosóficas. Se caracterizaron sus obras de esta época por su intención pedagógica y

Un soberbio y desolador análisis de la naturaleza de las relaciones humanas, con la "Sonata para violín y piano núm. 9" de Beethoven como fondo, que constituye uno de los relatos más intensos del genial escritor ruso. Publicada en 1889, "Sonata a Kreutzer", en la que se puede advertir un cierto aire autobiográfico, cuenta la historia de Pózdnyshév y de su mujer, de los primeros, idílicos años de su matrimonio, del progresivo deterioro del mismo, de cómo el amor y la entrega dejan paso al odio y la humillación. Y habla también de los celos, unos celos que, con su ominosa presencia, acabarán envenenando la convivencia y a los que sólo el asesinato logrará poner fin.

In a violent rage against the dangers of lust, the hypocrisies of marriage, and the tragic consequences of misinforming young people, especially women, about the disturbing realities of sex, Tolstoy chokes out THE KREUTZER SONATA with palpable fury. Recounting a husband's addictions, sinister guilt, humiliation, and subsequent obsession with his wife, Tolstoy shows us in this brilliant, taut narrative just how destructive a partnership can be. THE KREUTZER SONATA is an example of Tolstoy's thoughts on spiritual crisis, Christianity, and sexuality, and an exquisite introduction to the great Russian writer. This edition will include the controversial SEQUEL TO THE KREUTZER SONATA.

La contiguità cronologica stabilisce un primo e diretto legame tra questi tre racconti della maturità di Tolstoj. Nati uno a ridosso dell'altro, uno nelle pieghe dell'altro, come a integrarsi e a glossarsi a vicenda, i racconti sono legati dall'ossessiva tenacia di un tema: il rifiuto e la condanna dell'educazione sessuale nella società moderna. Tolstoj vuole illuminare gli impulsi nascosti e inconsapevoli delle azioni, smascherare quanto c'è di insincero nell'«io ufficiale». Nei suoi racconti non ci sono teorie astratte o verità rivelate, ma una tenace ricerca della sostanza delle cose, del senso profondo della vita. Il volume contiene il romanzo La sonata a Kreutzer e i racconti Diavolo e Padre Sergij.
