anything about him real? Ex-Navy officer Luc Larue knows how it looks when the sexy cop and her partner respond to a silent alarm at the grocery where he stopped for a six-pack after work. Luc's job with KPI requires certain...attire, and equipment. "Einkorn is one of the earliest forms of cultivated wheat, with wild strains that can be traced all the way back to the Fertile Crescent. Because of its lack of high molecular weight proteins, members of the gluten-free crowd have found that they can still enjoy einkorn without experiencing the same allergic reactions or uncomfortable side effects that comes with conventional weight. Now Carla Bartolucci, founder of the Jovial line of organic heirloom foods, shares 100 recipes for einkorn-based foods. Baking with einkorn produces much more flavor than regular wheat, and allows gluten-free home cooks to make recipes they can enjoy without aggravating any gluten sensitivities or overhauling their baking techniques. In these breads, crackers, breakfasts, desserts, pizzas, and other main dishes, you'll see how this versatile
