Monroe came to Cedar Falls to save the dying town. On his way there, his life spiraled out of control when delays and unruly passengers caused him to be late. He expected Aidan, the man in charge of hiring him, to be there to greet him, but instead found a man he didn't know, Tag Kendrick. It was clear to Tag, Ryder was

having some sort of meltdown. After the day the man had, Tag couldn't blame the guy. His instinct was to take control and put the sexy little man over his knee, but he wasn't sure Ryder would appreciate his dominating ways. They learn just how perfectly they fit together as Ryder submits to Tag's control. But when the

Welcome to Cedar Falls, a small North Carolina town nestled amongst the Smokey Mountains. Jesse Grant was a

proud, flamboyant gay man who wasn't afraid to wear make-up and heels. Not about to change for anyone, not even if that meant he'd been in more than a few fights over the years. Parker Flemming wasn't sure what to think of Jesse when he walks toward him. Dressed in Daisy Dukes, pink tank top, with matching flip

flops, Jesse looked like a dream come true. Too bad Parker had to give up his dream of finding a man like Jesse to settle down with since moving back in with his homophobic mother after his father died. Jesse had always been a "love them and leave them" kind of guy, until he meets Parker, who has his heart racing with just

It was his own fault for being such a loser, but it would still be nice if just once he had something end up in his favor. Unfortunately, for that to happen he'd have to put down the food he loved so much. West Baxter led a charmed life.
