Book Overview Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of MAKING AMERICA, Sixth Edition offers readers the complete narrative while limiting the number of features, photos, and maps.

MAKING AMERICA: A HISTORY OF THE UNITED STATES, BRIEF SIXTH EDITION, presents history as a dynamic process shaped by human expectations, difficult choices, and often the surprising consequences. With this focus on history as a process, MAKING AMERICA encourages readers to think historically and to develop into citizens who value the past. The clear chronology, straightforward narrative, and strong thematic structure emphasize communication over intimidation and appeal to readers of varied learning levels. The Brief Sixth Edition retains a hallmark feature of the MAKING AMERICA program: pedagogical tools that allow readers to master complex material and enable them to develop analytical skills. Every chapter has chapter outlines, chronologies, focus questions, and on-page glossaries (defining both key terms and general vocabulary) to provide guidance throughout the text; the open, inviting design allows readers to access and use pedagogy to improve learning. A wealth of images throughout provides a visual connection to the past, with captions that help readers analyze the subject of the painting, photograph, or artifact from an historical point of view. Investigating America gets to the heart of learning history: reading and analyzing primary sources. A new feature, In The Wider World introduces a global perspective for each chapter. In addition, a new map program provides clear, visually engaging maps with globe insets to put the map in a global context. Available in the following split options: MAKING AMERICA, Brief Sixth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Shaped with a clear political chronology, MAKING AMERICA reflects the variety of individual experiences and cultures that comprise American society. MAKING AMERICA provides a clear, helpful text that meets students where they are. For instructors whose classrooms mirror the diversity of today ' s college students, the strongly chronological narrative, together with an integrated program of learning and teaching aids, makes the historical content vivid and comprehensible to students at all levels of preparedness. Available in the following split options: MAKING AMERICA, Sixth Edition (Chapters 1-29), ISBN: 978-0-495-90979-8; Volume I: To 1877 (Chapters 1-15), ISBN: 978-0-495-91523-2; Volume II: Since 1865 (Chapters 15-29), ISBN: 978-0-495-91524-9. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Widely considered to be a definitive work on U.S. foreign policymaking, THE POLITICS OF UNITED STATES FOREIGN POLICY: ADVANTAGE SERIES, International Edition uses three levels of analysis to demonstrate how government, society, and the historical-global environment all impact policymaking. Focusing more on the process of creating policy than the history, this comprehensive text blends substance, history, and theory in a lively narrative that is engaging, accessible, and informative. Streamlined and updated, the new Sixth Edition presents theory in current context with late-breaking coverage of the 2012 elections, the new Congress, the global economic crisis, updates on the wars and crises abroad, the Obama administration's foreign policy, and more.

Though Americans rarely appreciate it, federalism has profoundly shaped their nation ' s past, present, and future. Federalism—the division of government authority between the national government and the states—affects the prosperity, security, and daily life of every American. Some of the most spectacular political conflicts in American history have been fought on the battlefield of federalism, including states ' rights to leave the union, government power to regulate business, and responses to the problems of race, poverty, pollution, abortion, and gay rights. In the second edition of this nuanced and comprehensive text, David Brian Robertson shows that past choices shape present circumstances, and that a deep understanding of American government, public policy, political processes, and society requires an understanding of the key steps in federalism ' s evolution in American history. New to the Second Edition Emphasizes that federalism is a battleground that shapes every life inAmerica. Extensively revised and updated, including new coverage of recent controversies like Ferguson, immigration, climate change, Obamacare, gay rights, the minimum wage, political polarization, voter identification, fracking, and marijuana legalization. Brings together the newest developments in history, political science, law,and related disciplines to show how federalism influences government and politics today. Includes chapter-opening vignettes that deal with contemporary cases and policy challenges.

Master data analysis, modeling, and spreadsheet use with BUSINESS ANALYTICS: DATA ANALYSIS AND DECISION MAKING, 6E! Popular with students, instructors, and practitioners, this quantitative methods text delivers the tools to succeed with its proven teach-by-example approach, user-friendly writing style, and complete Excel 2016 integration. It is also compatible with Excel 2013, 2010, and 2007. Completely rewritten, Chapter 17, Data Mining, and Chapter 18, Importing Data into Excel, include increased emphasis on the tools commonly included under the Business Analytics umbrella -- including Microsoft Excel ' s " Power BI " suite. In addition, up-to-date problem sets and cases provide realistic examples to show the relevance of the material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Shaped with a clear political chronology, MAKING AMERICA reflects the variety of individual experiences and cultures that comprise American society. The book's clear and helpful presentation speaks directly to students, sparking their curiosity and inviting them to " do history " as well as read about it. For instructors whose classrooms mirror the diversity of today's college students, the strongly chronological narrative, together with visuals and an integrated program of learning and teaching aids, makes the historical content vivid and comprehensible to students at all levels of preparedness. Available in the following split options: MAKING AMERICA, Seventh Edition (Chapters 1-29), ISBN: 978-1-285-19479-0; Volume I: To 1877 (Chapters 1-15), ISBN: 978-1-285-19480-6; Volume II: Since 1865 (Chapters 15-29), ISBN: 978-1-285-19481-3. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This comprehensive text examines the way foreign policy has changed from its earliest years through the post-9/11 years and beyond. It also looks at the ways values and beliefs about foreign policy have changed over the course of U.S. history and demonstrates how the values and beliefs of a variety of domestic factors affect the foreign policy decision-making process.

This comprehensive book describes and analyzes the substance and politics of public budgeting at the national, state, and local levels of government. In doing so, it takes a comparative approach, illustrating the distinctiveness of budgeting at each level, as well as highlighting the features common to all three. A unifying focus is the extent to which budgetary decision makers use the budget as a central vehicle to advance their policy preferences. This fully updated sixth edition provides an extensive and thorough analysis of the causes of the Great Recession, its economic consequences, and the policy responses which pushed the boundaries of conventional monetary and fiscal policy. Also new to this edition is a chapter on the intergovernmental dimensions of public budgeting, along with boxed features highlighting hands-on vignettes of contemporary practical challenges facing budget makers at the different levels of government.

NEW YORK TIMES BESTSELLER • Pulitzer Prize-winning author Jon Meacham reveals how the Founding Fathers viewed faith—and how they ultimately created a nation in which belief in God is a matter of choice. At a time when our country seems divided by extremism, *American Gospel* draws on the past to offer a new perspective. Meacham re-creates the fascinating history of a nation grappling with religion and politics—from John Winthrop’s “city on a hill” sermon to Thomas Jefferson’s Declaration of Independence; from the Revolution to the Civil War; from a proposed nineteenth-century Christian Amendment to the Constitution to Martin Luther King, Jr.’s call for civil rights; from George Washington to Ronald Reagan. Debates about religion and politics are often more divisive than illuminating. Secularists point to a “wall of separation between church and state,” while many conservatives act as though the Founding Fathers were apostles in knee britches. As Meacham shows in this brisk narrative, neither extreme has it right. At the heart of the American experiment lies the God of what Benjamin Franklin called “public religion,” a God who invests all human beings with inalienable rights while protecting private religion from government interference. It is a great American balancing act, and it has served us well. Meacham has written and spoken extensively about religion and politics, and he brings historical authority and a sense of hope to the issue. *American Gospel* makes it compellingly clear that the nation’s best chance of summoning what Lincoln called “the better angels of our nature” lies in recovering the spirit and sense of the Founding. In looking back, we may find the light to lead us forward. Praise for *American Gospel* “In his *American Gospel*, Jon Meacham provides a refreshingly clear, balanced, and wise historical portrait of religion and American politics at exactly the moment when such fairness and understanding are much needed. Anyone who doubts the relevance of history to our own time has only to read this exceptional book.” —David McCullough, author of *1776* “Jon Meacham has given us an insightful and eloquent account of the spiritual foundation of the early days of the American republic. It is especially instructive reading at a time when the nation is at once engaged in and deeply divided on the question of religion and its place in public life.” —Tom Brokaw, author of *The Greatest Generation*
