Mercy Kill is a Star Wars book that involves a group of spies called the Wraith Squadron that plan to bring down a corrupt Galactic Alliance general. This was a decent Star Wars audio book with the usual well-done audio effects but it doesn't live up to many other Star Wars stories.

Unlike most of the books being released set in the "modern" era of the Star Wars universe (44 ABY--i.e., 44 Years post-Episode IV), Mercy Kill lets you jump right in, more or less without knowing the situation to that point. A lot of the others you could read cold, but they wouldn't make much sense.

Stackpole STARFIGHTERS OF ADUMAR by Aaron Allston MERCY KILL by Aaron Allston They are sleek, swift, and deadly. They are the X-wing fighters. And as the struggle rages across the vastness of space, the fearless men and women who pilot them risk both their lives and their machines. Rebel hero Wedge Antilles knows the grim truth—that even with the best X-wing jockeys in the galaxy, many will not survive their near-suicidal missions. But nothing matters except defending the Alliance against a still-powerful and battle-hardened Imperial foe in a last-ditch effort to control the stars.

Three decades have passed since Wraith Squadron carried out its last mission. Taking on the most dangerous and daring operations, the rogues and misfits of the elite X-Wing unit became legends of the Rebellion and the Second Galactic Civil War, before breaking up and going their separate ways. Now their singular skills are back in vital demand for a tailor-made Wraith Squadron mission. A powerful general in the Galactic Alliance Army, once renowned for his valor, is suspected of participating in the infamous Lecersen Conspiracy, which nearly toppled the Alliance back into the merciless hands of the Empire. With orders to expose and apprehend the traitors and "license to do so by any and all means" the Wraiths will become thieves, pirates, impostors, forgers--and targets, as they put their guts, their guns, and their riskiest game plan to the test against the most lethal of adversaries.

An unusual diplomatic mission for Wedge Antilles and his X-Wing squadron finds the intrepid starfighters journeying to the warrior planet of Adumar, where both New Republic and Empire delegations have been invited, and where they face assassination, betrayal, and death. Original.

The X-wing fighter pilots are on the hunt for Warlord Zsinj, who has suddenly become a greater threat than the Imperials, but when the Rogue and Wraith Squadrons unite under Wedge's command, alliances must prepare for an all-out assault on the Super Star Destroyer. Original.

They are the galaxy's most elite fighting force. And as the battle against the Empire rages, the X-wing fighters risk life and machine to protect the Rebel Alliance. Now they must go on a daring undercover mission--as the crew of an Imperial warship. It is Wedge Antilles' boldest creation: a covert-action unit of X-wing fighters, its pilots drawn from the dregs of other units, castoffs and rejects given one last chance. But before the new pilots can complete their training, the squadron's base is attacked by former Imperial admiral Trigit, and Wraith Squadron is forced to swing into action--taking over an Imperial warship and impersonating its crew. The mission: to gain vital intelligence about Trigit's secret weapons, to sabotage the admiral's plans, and to lure him into an Alliance trap. But the high-stakes gamble pits Wraith Squadron's ragtag renegades against the Empire's most brilliant master of guile and deception. Are they up to the challenge? If not, the penalty is instant death. When a novice Jedi is killed while trying to obtain the coordinates of a secretive, yet beneficial trade route, his former Master, Jedi archivist Mander Zuma, must enter the dangerous underworld of the Butts to find the truth. Original. 60,000 first printing.

Book 9 in the exciting series! The X-wing fighter pilots have earned their reputation as the Rebel Alliance's ultimate strike force by overwhelming enemies with their rapid-fire assaults. But now they are about to embark on a diplomatic mission that will prove to be even more hazardous than all-out combat... The neutral world of Adumar has decided to pick a side in the war to control the galaxy. Delegates from both the New Republic and the Empire have been invited to Adumar, and each camp will be given a chance to plead its government's case. But there is one small catch: since the Adumari prize military skill above all else, they insist that both delegations be composed exclusively of fighter pilots. For pilot Wedge Antilles and his company, it's an unfamiliar exercise in diplomacy--and one that's filled with unexpected peril. For once they arrive, the X-wing pilots are challenged by Adumar's fierce warriors and attacked by Imperial assassins bent on eliminating all competition. But these challenges pale in comparison to the threat posed by a rogue Republic agent...one who is determined to win Adumar's allegiance once and for all--even if it costs the X-wing pilots their lives. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!
