basic to life itself; this tells of that love and our 48 year marriage. And it is about how this love continues after her death. I am now aware of my wife Patricia's presence touching my mind and soul for a couple of weeks now. It is as if we are made whole again. Maybe we never separated. Pat is definitely in my soul almost as if we are sharing one mind. When I'm not using my mind fully (as when I first wake or when I'm falling asleep), I seem to see what Pat is seeing - what she is writing. It is so clear that often I can read it. Those who know Pat, know that writing was all she wanted to do; it was her compulsion. Her idea of Heaven would be a place where she could write without interruption. I feel she is happy now beyond measure writing in our place in Heaven.

Manifestations of human being As if I'm writing beauty without seen The most beautiful reference of God As ever seen Dr Baljit Singh Monday 15 June 2015 The Manifestations of being is my first poetry book. My previous book on Topics in Population and Health published by Xlibris (Australia) in June 2019 was academic writing. I began writing poetry in August 2008. The first poem I wrote was Oh, my beautiful, Oh my merciful; it is my masterpiece song; I like the most. A poem is a perspective with many topics. Apart from imagining, poets write being in a situation, sometimes happy, sometimes concerns. Most poems I wrote in the very early morning. My poems are about human relationships. I take life as the most beautiful gift of God. I hope you enjoy reading the text -Baljit
