class background in gritty North Philadelphia to the sanctity of European concert stages, from imagined dangers lurking along the waterfronts in mysterious Asian cities to the real dangers lurking in the narrow minds of those who uphold the status quo in American music, this book reveals the life of one who embraced change, and, in the process, gained political leverage and intellectual freedom. It is the story of Joseph Franklin and a legion of collaborators, and it is a snapshot view of a slice of America's musical landscape in the final quarter of the 20th century, including a history of Relâche and The Relâche Ensemble. Born in Philadelphia, Joseph Franklin is a graduate of the Philadelphia Musical Academy and Temple University's Graduate School of Music. He has composed works for mixed instrumental/vocal ensembles, film, video, theater and dance. In 1977 he co-founded The Relâche Ensemble, which evolved into Relâche, Inc. a presenting and producing organization in support of the Relâche Ensemble. He served as founding executive and artistic director of Relâche until 1998. Independently, and as Director of Relâche, he has been a producer of concerts, festivals, recordings, radio programs, residency programs, international tours and other related music events, including the NEW MUSIC AMERICA 1987 Festival, NEW MUSIC AT ANNENBERG at The University of Pennsylvania and MUSIC IN MOTION, a nationwide audience development project. He formerly served as Artistic Director for Helena Presents--The Myrna Loy Center, a performing arts and film center located in Helena, Montana. He has published criticism and book reviews in the Philadelphia Inquirer and Philadelphia City Paper. While living in Louisiana he developed and

You have a new venture in mind. And you've crafted a business plan so detailed it's a work of art. Don't get too attached to it. As John Mullins and Randy Komisar explain in *Getting to Plan B*, new businesses are fraught with uncertainty. To succeed, you must change the plan in real time as the inevitable challenges arise. In fact, studies show that entrepreneurs who stick slavishly to their Plan A stand a greater chance of failing—and that many successful businesses barely resemble their founders' original idea. The authors provide a rigorous process for stress testing your Plan A and determining how to alter it so your business makes money, solves customers' needs, and endures. You'll discover strategies for:

- Identifying the leap-of-faith assumptions hidden in
