A collection of short works by the author of Every Dead Thing includes a Charlie Parker novella as well as the tales "The Cancer Cowboy Rides," in which a malevolent drifter engages in a killing spree, and "Nocturne," in which a father desperately protects his son from a child killer. Original.

#1 Internationally bestselling author John Connolly delivers a masterful combination of " the hard-boiled with the supernatural " (Publishers Weekly, starred review) with this return of dangerous and driven private investigator Charlie Parker as he battles an old evil that hunts a strange and isolated community. Jerome Burnel was once a hero. He intervened to prevent multiple killings, and in doing so damned himself. His life was torn apart, imprisoned and brutalized. But in his final days, with the hunters circling, he tells his story to private detective Charlie Parker. He speaks of the girl who was marked for death, but was saved; of the ones who tormented him, and an entity that hides in a ruined stockade. Parker is not like other men. He died, and was reborn. He is ready to wage war. Now he will descend upon a strange, isolated community called the Cut, and face down a force of men who rule by terror, intimidation, and murder. All in the name of the being they serve. All in the name of the Dead King.

"The next pulse-pounding thriller in John Connolly's internationally bestselling Charlie Parker series. The community of Prosperous, Maine has always thrived when others have suffered. Its inhabitants are wealthy, its children's future secure. It shuns outsiders. It guards its own. And at the heart of Prosperous lie the ruins of an ancient church, transported stone by stone from England centuries earlier by the founders of the town... But the death of a homeless man and the disappearance of his daughter draw the haunted, lethal private investigator Charlie Parker to Prosperous. Parker is a dangerous man, driven by compassion, by rage, and by the desire for vengeance. In him the town and its protectors sense a threat graver than any they have faced in their long history, and in the comfortable, sheltered inhabitants of a small Maine town, Parker will encounter his most vicious opponents yet. Charlie Parker has been marked to die so that Prosperous may survive. Prosperous, and the secret that it hides beneath its ruins."--

Pursuing a murder suspect causes Charlie Bird Parker to uncover a string of unsolved killings, and his hunt for the culprit involves two crimes that span a century. Reissue.

From the bestselling author of the Charlie Parker mysteries—"the finest crime series currently in existence" (The Independent)—comes a new anthology of chilling short fiction. A decade after Nocturnes first terrified and delighted readers, John Connolly, bestselling author of thirteen acclaimed thrillers featuring private investigator Charlie Parker, gives us a second volume of tales of the supernatural. From stories of the monstrous for dark winter nights to fables of fantastic libraries and haunted books, from a tender account of love after death to a frank, personal, and revealing account of the author's affection for myths of ghosts and demons, this is a collection that will surprise, delight—and terrify. Night Music: Nocturnes 2 also contains two novellas: the multi-award-winning The Caxton Private Lending Library & Book Depository and The Fractured Atlas. Night Music: Nocturnes 2 is a masterly collection to be read with the lights on—menace has never been so seductive.

PI Charlie Parker, a former New York policeman, searches for the killer of his wife and daughter. Two women help him, a pretty criminal psychologist and an old Creole woman with psychic vision.

Assisting a friend in a search for a kidnapped woman, detective Charlie Parker links the abduction to a church of bones in Eastern Europe, a 1944 slaughter at a French monastery, and the myth of an object known as the Black Angel.

"John Connolly returns with a prequel that goes back to the very beginning of Private Investigator Charlie Parker's astonishing career with his first terrifying case"--

In South Carolina, a young black man faces the death penalty for the rape and murder of Marianne Larousse, daughter of one of the wealthiest men in the state. It's a case that nobody wants to touch, deeply rooted in old evil--and old evil is Charlie Parker's specialty. He's about to enter a living nightmare, a dreamscape of sorrow haunted by the murderous specter of a hooded woman, by a black car waiting for a passenger that never comes, and by the sinister complicity of both friends and enemies in Larousse's brutal death. Soon, all will face a final reckoning in an unearthly realm where the paths of the living and the dead converge. A place known only as the White Road.

When the discovery of a mass grave in northern Maine reveals the truth about the disappearance of a religious community, private detective Charlie Parker becomes embroiled in a deadly conflict with a group of religious fanatics.
