His plans are derailed when he is approached by two FBI agents (later proved to be bogus) who interrogate him and then pass him on to a mysterious man known only as Bennie Wright. Bennie has a videotape of a party that took place in Kyle's apartment five years earlier, when he was an undergraduate student at Duquesne University. In it, two of Kyle's fraternity brothers, Joey Bernardo and Baxter Tate, are seen having sexual relations with Elaine Keenan, a coed who later claimed she was raped while unconscious, a charge seemingly supported by Joey asking Baxter "Is she awake?" on the tape. At the time, the incident was investigated by local police, who determined there had been no assault and declined to take further action. With the tape now in his possession, Bennie threatens to expose Kyle's secret unless he cooperates with him and his associates. Bennie's plan is to have Kyle accept a position at New York...
