explanations, contemporary examples, a visually appealing photo/art program, and/or learning exercises. The authors respond to user feedback by ensuring the text covers the very latest OB research and practices. Key topics, such as diversity in organisations, ethics, and globalisation, are recommended by the Association to Advance Collegiate Schools of Business (AACSB) and the Association of Collegiate Business Schools and Programs (ACBSP). Wolf branding book cover: Wolves remain a central theme for Kreitner and Kinicki because they view wolves as an instructive and inspiring metaphor for modern Organizational Behavior. Wolves are dedicated team players, great communicators, and adaptable. These are quintessential attributes for success in today's workplace.

This text encourages participate teaching and active learning through a structured style and format, with each chapter containing a list of key concepts and objectives.

Forty years in the making, Management of Organizational Behavior is a readable text that makes behavioral sciences come alive through real life examples and progressive ideology.

The authors' goal in writing Organizational Behavior and Management 10e is to improve students' ability to understand, interpret, and predict the behavior of people working in organizations. The book combines text, self-learning exercises, group-participation exercises, and cases in an integrated way designed to enhance learning and retention of organizational behavior concepts and skills. A solid research base and an appendix on research techniques

make this book suitable for a graduate studies course.

Market\_Desc: Business Professionals, Students and Instructors of Business  
Special Features: · Incorporates expert tips and techniques throughout each chapter in new  
Becoming a Better... boxes· Examines ethics in the workplace with a modern day perspective· Explores the culture of an organization and offers ways to improve it· Show how to effectively communicate during a conflict to resolve any problem· Presents theories in leadership while also discussing how groups work  
About The Book: With this book as their guide, readers learn the skills and attributes they'll need in order to become more effective employees in the workplace. Whether it's turning into a stronger communicator, team member, or problem-solver, the Tenth Edition shows them how. They also gain a better understanding of the four major dimensions of organizational behavior: leading, communicating, decision making/problem-solving, and team building.

"Our target readers are students who are new to the social sciences and to the study of organizational behaviour. This is a core subject on most business and management degree, diploma and masters programmes. Accountants, architects, bankers, computer scientists, doctors, engineers, hoteliers, nurses, surveyors, teachers and other specialists, who have no background in social science, may find themselves studying organizational behaviour as part of their professional examination schemes"--

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh

# Get Free Organizational Behavior 10th Edition By Robert Kreitner And Angelo

new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

"This is a classic text that...is very comprehensive, well-structured and particularly well-designed from a learning perspective." Dr. Jean-Anne Stewart, Associate Professor, Henley Business School. "Management and Organisational Behaviour has provided an excellent source for students over many years...the author go out of their way to include additional research evidence/key frameworks and theories that are not covered in many of the other mainstream OB texts. This is a real benefit for those students who want to achieve beyond the basics." Dr. Nick Jackson, Senior Teaching Fellow, University of Leeds. "The book is well

# Get Free Organizational Behavior 10th Edition By Robert Kreitner And Angelo

written and presented in a logical sequence that makes comprehension and understanding easier. The chapters consist of a series of small, succinct explanations and discussions around important concepts aided by extensive use of theory...The treatment of key concepts is expressed at a level students will find accessible.” Dr. Colin Combe, Senior Lecturer, Glasgow Caledonian University. Now in its 11th edition Laurie Mullins’s Management & Organisational Behaviour is the essential guide to OB for students today. Over half a million students have used this engaging and practically focused book as their introduction to the world of management and organisational behaviour, and it continues to evolve and improve to serve the needs of modern students. Using both theory and practical, real-world examples, the textbook considers how organisational performance can be improved through effective management of people. This unique approach to the subject enables students to relate Organisational Behaviour to Management in the broader social and cultural contexts. This fully updated new edition incorporates new content and a streamlined structure to deliver the best possible learning experience. Key features include: Expanded Personal Skills and Employability sections as well as 5 new end of chapter exercises and an end of book review to help you to develop your social and work-based skills in preparation for life after study. New and revised management and OB in action case studies help to place the theory of management and organisational behaviour in the context of everyday organisational practice. New and revised end of chapter case studies provide a deeper insight into a wide variety of organisations in the UK and around the world. New Academic Viewpoint features in each part links to relevant research for a deeper understanding of the topics discussed. Management and Organisational Behaviour will appeal to students at
