We have the ability to master our lives when we realize this simple truth: we are always in control of our thoughts and we don't have to believe everything that we think. This realization is the moment everything will change. By having this control, we are able to capture our true essence and live the authentic lives we were meant to live. I long for home... #LoveYourself - A Guide to Awakening the Soul and Putting the Ego to Sleep is a collection of personal stories that touches on everyday thought-provoking life lessons that can help one become empowered on their journey to self-love. By taking complete responsibility for our lives, we are able to open the door to a beautiful relationship with ourselves. We are rarely taught that happiness is an inside job and that our thoughts create our own personal realities. "The journey to self-love can be such a strenuous process. Our real-life experiences are strategically placed within our timelines as a way for the Universe to help us find our true authentic selves. Everything we endure is a test and after every storm is a deep calm where we find ourselves a little stronger, a little wiser, a little more aware." —Karen A. Baquiran

An internationally renowned biophysicist and practitioner of traditional Eastern healing methods, Dr. Hawkes shows readers how they can repair and renew their bodies at the cellular level.

"For those ready and willing to build a new life, here are the tools. Powerful, incisive, extraordinary writing." —Neale Donald Walsch, New York Times bestselling author of Conversations with God Transform your life with this bestselling, revolutionary, and accessible seven-step guide—grounded in energy medicine, neurobiology, and quantum physics—to awaken your true health and potential through energy healing. Eighteen years ago, health pioneer and "extraordinary enlightened visionary" (Anita Moorjani, New York Times bestselling author) Dr. Sue Morter had a remarkable and profound awakening. While meditating, she spontaneously accessed an energy field—a level of consciousness—beyond anything she had ever imagined. This dramatic experience changed her life and set her on a mission to discover how to create such radical transformation for her patients. Through years of advanced study and research in energy healing and medicine, she developed the Energy Codes. This life-altering program has now enabled thousands of people around the world to overcome pain, disease, fatigue, anxiety, and depression, and to awaken their innate creativity, intuition, and inner power. Bridging ancient healing practices with cutting-edge science, The Energy Codes offers a detailed road map to help you experience deep healing in your life. Grounded in practical, accessible exercises, including yoga, breathwork, meditations, and Dr. Morter's proprietary Bio-Energetic Synchronization Technique (BEST) protocol, The Energy Codes "offers deep insights...that brilliantly merge the ever-blending worlds of science and spirituality to help reveal the truth of our being and the depths of our greatness," (Jack Canfield, coauthor of the Chicken Soup for the Soul series).

A practical guide to shamanic ancestor work, inspired by Huna and supported by guided rituals and exercises • Explains how to heal traumatic experiences and old blockages that are stored in the memory of your lineage • Includes Hawaiian teachings about spiritual and genetic ancestors and reveals how to bond with your spirit family, your Aumakua • Shows how unlocking the support of your ancestors enables you to shine your light fully Knowing your ancestral lineage is not only a matter of curiosity, your life path will unfold with much more ease if you are aware and in harmony with your origins. Exploring the heritage of your bloodline as well as the energy of your spiritual family, which we are often less aware of, opens you up to enormous potential for healing and self-development. This practical guide explains, in a clear and straightforward way, how the energy field of our ancestors influences our personal lives and how we can draw from their strength as well as liberate ourselves from burdens that have been carried over generations. It helps us to lift the veil of forgetting and allow ourselves to fully shine our light, supported by the souls that came before us, by making peace with past hurts and traumas. Drawing on the Huna Hawaiian shamanic tradition as well as other shamanic and energetic practices, the authors show how to connect with our Aumakua, our ancestors and higher self, which includes our close relatives, ancestors stretching back thousands of years, and our spiritual ancestors or karmic family. The authors offer practices to reconcile with our parents and spiritual family, uncover suppressed matters and family secrets, clear and charge our personal energy field and our family energy field, and awaken the potential of our bloodline. They explain how to perform an ancestor healing circle, carry out an ancestor release ritual, and offer blessings for children and grandchildren as well as providing meditative journeys to meet our ancestors, our spiritual family, and our spiritual roots in other realms. They also provide short case studies to illustrate how the rituals and exercises have worked for other people. By enacting ancestral healing, we can recognize who we are, where we come from, and truly fulfill our destiny in this life.

This groundbreaking book reveals the process of Dynamic Energetic Healing, an energy psychology model, with specific strategies to achieve goals and dreams.
