#1 NEW YORK TIMES BESTSELLING PHENOMENON More than 6 million copies sold A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

A satirical approach to debunking the myths of white supremacy and racial purity, this 1931 novel recounts the consequences of a mysterious scientific process that transforms black people into whites.

Mia and Jake have known each other their whole lives. They've endured summer vacations, Sunday brunches, even dentist visits together. Their mothers, who are best friends, are convinced that Mia and Jake would be the perfect couple, even though they can't stand to be in the same room together. After Mia's mom turns away yet another cute boy, Mia and Jake decide they've had enough. Together, they hatch a plan to get their moms off their backs. Permanently. All they have to do is pretend to date and then stage the worst breakup of all time—and then they'll be free. It's the perfect plan - except that it turns out maybe Mia and Jake

don't hate each other as much as they once thought...

(Piano/Vocal/Guitar Songbook). Save some money this Christmas with this fabulous budget-priced collection of 100 holiday favorites arranged for piano and voice with guitar chord frames! The Delta Squad continues its efforts to save the world's survivors, who have been forced to destroy their own cities and civilizations, from the brutal Locust Horde that launched its first attack fifteen years earlier.

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

"Lacey Jordan was a woman who knew what she wanted -- and she wanted nothing to do with the new doctor in town. He had the perfect smile, perfectly tan muscles, and a way with people. This was her town, her family, and her life. He'd come into town and shaken everything up including her heart. Aaron was running away from

a hard breakup where more than just his heart had been broken. At this point all he wanted to do was take over his grandfather's medical practice, work on his new house, and turn it into the first place he could call his home. He liked the town of Pride; in fact, he had spent the only good parts of his childhood here. What he hadn't expected was to bump into a fairy goddess, bumping hard enough to get a concussion and have his heart mended at the same time. Then, the town gets a visit that will change their lives forever, if they can survive"--Back cover.

Laura Ingalls Wilder's unedited, and unpublished, draft of her autobiography that was written for an adult audience and eventually served as the foundation for her popular Little House on the Prairie series includes not-safe-for-children tales that feature stark scenes of domestic abuse, love triangles gone awry and a man who lit himself on fire while drunk off whiskey.

"Much like Donna Tartt's *The Secret History*, M. L. Rio's sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments." —Cynthia D'Aprix Sweeney, *New York Times* bestselling author of *The Nest* "Nerdily (and winningly) in love with Shakespeare...Readable, smart." —*New York Times* Book Review

On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. *If We Were Villains* was named one of *Bustle's* Best Thriller Novels of the Year, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."
