The popular handbook to estate planning, now updated for 2018 Since its first publication in 2002, New Rules for Estate, Retirement, and Tax Planning has sold more than 40,000 copies, providing a solid, accessible introduction to estate planning for any age or income bracket. Now in its sixth edition, Estate, Retirement, and Tax Planning continues this tradition, covering such topics as trusts, donations, life insurance, and wills in easy-to-understand language that offers valuable insights and solid strategies to help you preserve your wealth and plan your estate so that your assets go where you want with a minimum of taxes and government interference. This comprehensive guide answers such common questions as: How much do I need to retire comfortably? How do I protect my children ' s inheritance? How do I ensure planned donations are made after I ' m gone? And many more. The Sixth Edition is also fully updated to reflect changes following the 2018 Tax Cuts and Jobs Act, so that you can learn how new regulations could impact your inheritance and trusts. Other notable features include advice on working with elderly parents and introducing financial planning to children and teenagers, in addition to a list of professional advisers and a glossary of estate planning terms. Understand estate planning and obtain solid strategies for growing your wealth Explore asset protection and succession planning strategies Discover how recent updates to the tax code could affect you and your heirs Stay informed of any relevant law changes with an author-managed web site Estate, Retirement, and Tax Planning contains a wealth of valuable information for any adult who needs help planning their financial future, from the established professional heading toward retirement, to the young adult looking to understand the basics. Wherever you are in your journey, use Estate, Retirement, and Tax Planning to ensure your legacy is protected.

This book provides comprehensive and updated knowledge about dental digital photography. The first part of this book focuses on the fundamental theory of photography, how to select photographic equipment and the basic applications of digital photography in various aspect in dentistry. It is not only helpful to get more clearly understanding of the concept and methods of dental digital photography, but also instructive for dentist to apply photography during their daily treatment. The second part of the book summaries the different category of digital images. It describes the post-processing methods of the images and the "digital smile design(DSD)" basic process, which highlight the instructive aspects for clinical work. In the Chapter named " cosmetic dental treatment based on digital photography ", comprehensive cosmetic cases are provided; Appendix contains a variety of dental photography standards.

Cultural commentator John Strausbaugh's The Village is the first complete history of Greenwich Village, the prodigiously influential and infamous New York City neighborhood. From the Dutch settlers and Washington Square patricians, to the Triangle Shirtwaist fire and Prohibition-era speakeasies; from Abstract Expressionism and beatniks, to Stonewall and AIDS, the connecting narratives of The Village tell the story of America itself. Illustrated with historic black-and-white photographs, The Village features lively, well-researched profiles of many of the people who made Greenwich Village famous, including Thomas Paine, Walt Whitman, Edna St. Vincent Millay, Mark Twain, Margaret Sanger, Eugene O ' Neill, Marcel Duchamp, Upton Sinclair, Willa Cather, Jack Kerouac, Allen Ginsberg, Jackson Pollock, Anais Nin, Edward Albee, Charlie Parker, W. H. Auden, Woody Guthrie, James Baldwin, Maurice Sendak, E. E. Cummings, and Bob Dylan.

Selena Taylor is an American citizen determined to find her grandparents after she loses her family to the violence of the drug cartel in Mexico. Crossing the border into Texas turns out to be the easy part. Virtually penniless and enticingly innocent, she soon finds herself at the mercy of Travis Blake. Travis is a hard-working, self-made rancher that has never known love or softness of any kind. His only use for women is sexual, and Selena is caught on his ranch with no way out. While Selena plots her escape from his control, Travis ruthlessly and methodically tightens his possession and makes it impossible for her to leave. The struggle that follows is a clash of wills that pits purity against passion, virtue against vice and love against lust.

After a Peculiar Crimes Unit detective is slain, the murderer flees deep underground into the world's oldest subway system, and Bryant and May must follow the madman into the twisted tunnels that snake beneath London.
