Augustine was baptized by Ambrose at Milan during Eastertide, A.D. 387. A short time later his mother, Monica, died at Ostia on the journey back to Africa. A year later, Augustine was back in Roman Africa living in a monastery at Tagaste, his native town. In 391, he was ordained presbyter in the church of Hippo Regius (a small coastal town nearby).

Confessions. Having achieved both some understanding of God (and evil) and the humility to accept Christ, Augustine still agonizes over becoming a full member of the church. Book VIII tells the story of his conversion experience in Milan, which begins with an agonizing state of spiritual paralysis and ends with an ecstatic decision (in a Milan garden) to wholly embrace celibacy and the Catholic faith.

More than five million words of St. Augustine ' s writings survive, ranging from sermons to theological treatises. Of these, two have had particularly lasting influence: The City of God and Confessions. The former is a philosophical defense of Christianity that outlines a new way to understand human society, and the latter is largely a spiritual self-examination.

The story of the Confessions is the story of Augustine's return to God, so it is appropriate that story should begin with Augustine's tribute of praise to the God he loves. In making a confession of praise, Augustine says, he is also demonstrating his faith, because he is not praising some distant or unknowable deity; God is as close to him as his own life and experiences, always working for Augustine's good, even when Augustine is unable or unwilling to recognize that truth.

Confession, it is said, is good for the soul; and the Confessions of Saint Augustine of Hippo are good for any person ' s soul, regardless of his or her religious or philosophical beliefs. There is something profoundly compelling in the rigorous, uncompromising manner in which Augustine describes the way he consciously, by an ongoing act of will, worked to bring his magnificent intellect into conformity with the dictates of Christianity – and gave God all the credit for the outcome.

The City of God, Augustine ' s great apology, was prompted by this symbolic event, though it is by no means just a response to pagan polemics. Augustine ' s life ended when the Vandals besieged Hippo; he is said to have died with a word of Plotinus on his lips (Possidius, Vita Augustini 28.11, after Plotinus, Enneads I 4.7.23–24). 2.

Contents: The Confessions of St. Augustine, with introduction, and notes.

Although Augustine's "Confessions" has been translated many times, it is not exaggeration to say that Sister Maria Boulding's translation is "of a different level of excellence from practically anything else on the market" (Rowan Williams, Bishop of Monmouth).

In his own day the dominant personality of the Western Church, Augustine of Hippo today stands as perhaps the greatest thinker of Christian antiquity, and his Confessions is one of the great works of Western literature. In this intensely personal narrative, Augustine relates his rare ascent from a humble Algerian farm to the edge of the corridors of power at the imperial court in Milan, his struggle against the domination of his sexual nature, his renunciation of secular ambition and marriage, and the recovery of the faith his mother Monica had taught him during his childhood. Now, Henry Chadwick, an eminent scholar of early Christianity, has given us the first new English translation in thirty years of this classic spiritual journey. Chadwick renders the details of Augustine's conversion in clear, modern English. We witness the future saint's fascination with astrology and with the Manichees, and then follow him through scepticism and disillusion with pagan myths until he finally reaches Christian faith. There are brilliant philosophical musings about Platonism and the nature of God, and touching portraits of Augustine's beloved mother, of St. Ambrose of Milan, and of other early Christians like Victorinus, who gave up a distinguished career as a rhetorician to adopt the orthodox faith. Augustine's concerns are often strikingly contemporary, yet his work contains many references and allusions that are easily understood only with background information about the ancient social and intellectual setting. To make The Confessions accessible to contemporary readers, Chadwick provides the most complete and informative notes of any recent translation, and includes an introduction to establish the context. The religious and philosophical value of The Confessions is unquestionable--now modern readers will have easier access to St. Augustine's deeply personal meditations. Chadwick's lucid translation and helpful introduction clear the way for a new experience of this classic. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. In 1990, New City Press, in conjunction with the Augustinian Heritage Institute, began the project knows as: The Works of Saint Augustine, A Translation for the 21st Century. The plan is to translate and publish all 132 works of Saint Augustine, his entire corpus into modern English. This represents the first time in which The Works of Saint Augustine will all be translated into English. Many existing translations were often archaic or faulty, and the scholarship was outdated. New City Press is proud to offer the best modern translations available. The Works of Saint Augustine, A Translation for the 21st Century will be translated into 49 published books. To date, 41 books have been published by NCP containing 93 of The Works of Saint Augustine, A Translation for the 21st Century. Augustine's writings are useful to anyone interested in patristics, church history, theology and Western civilization. -- Publisher.

The restless heart and searching mind of this influential early church father can offer spiritual and intellectual companionship for your spiritual journey. Augustine of Hippo (354 430), theologian, priest, and bishop, is one of the most important figures in the development of Western Christianity. He is known as much for his long interior struggle that ended with conversion and baptism at age thirty-two as for his influential teachings on human will, original sin and the theology of just war. Cherished as a model for the pursuit of a life of spiritual grace and criticized for his theory of predestination, Augustine is recognized as a living expression of the passion to understand and communicate the deeper meanings of human experience. With fresh translations drawn from Augustine's voluminous writings and probing facing-page commentary, Augustinian scholar Joseph T. Kelley, PhD, provides insight into the mind and heart of this foundational Christian figure. Kelley illustrates how Augustine s keen intellect, rhetorical skill and passionate faith reshaped the theological language and dogmatic debates of early Christianity. He explores the stormy religious arguments and political upheavals of the fifth century, Augustine s controversial teachings on predestination, sexuality and marriage, and the deep undercurrents of Augustine s spiritual quest that still inspire Christians today."

You ' ve heard his name—now read his classic spiritual autobiography. Here is St. Augustine ' s Confessions, an important and powerful book abridged and updated for today ' s reader. Written some sixteen hundred years ago, this Christian classic still speaks to readers, addressing concerns that trouble the human heart today just as they did in the fourth and fifth centuries. Confessions gives an account of God ' s grace in Augustine ' s life—as well as his personal regret over the wickedness of his pre-Christian days. It ' s a powerful introduction to a giant of the faith, and an encouraging story of God ' s power to change people.

For the first time, Wills's translation of the entire Confessions work by Saint Augustine has been compiled into one edition. Removed by time and place but not spiritual relevance, this text continues to influence contemporary religion, language and thought.

"Augustine never thought of God without thinking of his sin, nor of his sin without thinking of Christ." St. Augustine grates hard against "the anatomy of evil" while dealing succinctly and honestly with his own proneness toward sin. From his infatuation with its initial beauty to the discounting of his previously wasted life, Augustine leaves little to the imagination regarding his need to be saved from himself. Most of Augustine's Confessions are spent in a nearly catastrophe tug of war. From insult and injury to passion, lost love, and the arts--this work leads through and beyond a world where God's timing is absolutely perfect. Nothing has really changed since then. Sin is still sin--and God is still God. Moody Classics Of all the factors influencing our spiritual growth and development, pivotal books play a key role. Learning from those who have walked the path and fought the fight brings wisdom and strengthens resolve. And hearing the familiar chords of kingdom living sung by voices from other times can penetrate cultural barriers that limit our allegiance to the King. To this end, Moody Publishers is honored to introduce the first six volumes in what is to be an ongoing series of spiritual classics. Selected for their enduring influence and timeless perspective, these new editions promise to shape the lives of spiritual pilgrims for generations to come.
