With her new book, Italian Food Activism in Urban Sardinia, cultural anthropologist Carole Counihan makes a significant contribution to understanding the growing global movement for food democracy. Providing a detailed ethnographic case study from Cagliari, the capital of the Italian island-region of Sardinia, she draws upon Sardinians' own descriptions of their actions and motivations to change their food as they pursue grassroots alternatives to the agro-industrial food system through GAS (Gruppi di Acquisito Solidale or solidarity-based purchase groups), organic and urban agriculture, alternative restaurants, and farm-to-school programs. They link their activism to the sensory and emotional resonance of food and its nostalgic connections to place, tradition, and culture. They stress the importance of education through experience, and they build relationships and networks through workshops, farm visits, and commensality. The book focuses on three key themes to emerge in interviews with Cagliari food activists: the significance of territorio (or place), the importance of taste, and the role of education. By exploring these areas of concern, Counihan uncovers key tensions in consumption as a force for change, in individual vs. group actions, and in political and economic power relations, which are of crucial importance to wider global efforts to promote food democracy.

Inspiring the global fight to revolutionize the way food is grown, distributed, and eaten. ¶In the almost thirty years since Carlo Petrini began the Slow Food organization, he has been constantly engaged in the fight for food justice. Beginning first in his native Italy and then expanding all over the world, the movement has created a powerful force for change. The essential argument of this book is that food is an avenue towards freedom. This uplifting and humanistic message is straightforward: if people can feed themselves, they can be free. In other words, if people can regain control over access to their food—how it is produced, by whom, and how it is distributed—then that can lead to a greater empowerment in all channels of life. Whether in the Amazon jungle talking with tribal elders or on rice paddies in rural Indonesia, the author engages the reader through the excitement of his journeys and the passion of his mission. Here, Petrini reports upon some of the success stories that he has observed firsthand. From Chiapas to Puglia, Morocco to North Carolina, he has witnessed the many ways different peoples have dealt with food problems. This book allows us to learn from these case studies and lays out models for the future.

Discusses the history and spread of the International Slow Food Movement which was sparked in 1986 when Carlo Petrini organized a protest against plans to build a McDonald's fast food restaurant near the Spanish Steps in Rome, and discusses the movement's goals of preserving indigenous foods and eating traditions, and returning to dining as a social event.

She thought, brightly, This is the most life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

A Pride and Prejudice Story "All your favorite characters are here, but somehow it feels like you're meeting them for the very first time. I adored James Ramos's That Girl, Darcy. " - Heidi Doxey, author of Liam Darcy, I Loathe You "Love. You can't tell when you'll catch it or who you'll fall for. But once it happens, it'll change everything for you." IT IS A TRUTH UNIVERSALLY ACKNOWLEDGED that geeky guys never get to date the pretty girls. Elliott Bennett is entering his senior year and finding a girlfriend is the last thing on his mind. That is, until Darcy Fitzwilliam moves into the only mansion in the neighborhood. When Elliott meets Darcy at a party, he finds out that she isn't into skateboarding (which he lives for), she hates science fiction (which he loves), and she thinks his friends are a pack of morons (which, honestly, might be half true)—and yet, there's something irritatingly intriguing about her. This gender-swapped Pride and Prejudice retelling brings back all the original characters in a quirky modern day setting that holds true to the original story while bringing new humor and misunderstandings. That Girl, Darcy is a Teen High School Romance.

Mina Murray records in her diary the intimate details of what really happened between her and Count Dracula, and her struggle against an evil force that has relentlessly pursued her.

'Angela's Ashes' is the memoir of retired schoolteacher Frank McCourt. He grew up in New York in the 1930s and in Ireland in the 1940s, in a large family, with an alcoholic father. It is a story of courage and survival against apparently overwhelming odds.

Family secrets, terrorist plots and the return of a legendary cop: a ferociously paced noir thriller from one of Italy's top crime writers, and the second book in Pushkin Press's collaboration with Walter Presents Annibale Canessa didn't want to go back to his old life. When everything went wrong in 1984, he traded his brutal, exciting career in the Carabinieri for paradise in San Fruttuoso. He started swimming in the bay at dawn and helping his elderly aunt run a small restaurant. His life was calm. But some shattering news pulls him back in - his estranged brother has been found dead, lying beside him, the body of an ex-terrorist, a man Canessa himself caught. Back in Milan, Canessa must pursue old connections and unsolved crimes, which draw him ever deeper into the underworld he thought he'd left behind...
