Harry Hole is a mystery novel trope: the hardened, introverted, alcoholic detective who's also incredibly gifted at what he does. The trope doesn't seem tired at all in The Snowman, though. He's funny, very likeable and a genius, but human. He keeps getting close to the killer, but never close enough, until, of course, the end.

Jo Nesbo's Harry Hole novels are complex, ambitious constructions where suspenseful and fast-paced crime plots reflect our globalized modern world. Although Oslo is the background for Nesbo's stories, the nature of contemporary crime pitches Harry against challenges in such remote corners of the world as Australia and Thailand, which lend the novels a truly international feel.

The Snowman (Book) | Jackson County Library Services ...

Internationally acclaimed crime writer Jo Nesbo's antihero police investigator, Harry Hole, is back: in a bone-chilling thriller that will take Hole to the brink of insanity.

The Snowman by Jo Nesbo, Don Bartlett | Audiobook ...

When an elite crime squad's lead detective investigates the disappearance of a victim on the first snow of winter, he fears an elusive serial killer may be active again. With the help of a brilliant recruit, the cop must connect decades-old cold cases to the brutal new one if he hopes to outwit this unthinkable evil before the next snowfall.

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbo's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared.

Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished/all on the day of the first snow. But this is a killer who makes his own rules. . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbo presents his most chilling case yet:one that will test Harry Hole to the very limits of his sanity.

The next thrilling installment in the Harry Hole series. The night the first snow falls a young boy wakes to find his mother gone. He walks through the silent house, but finds only wet footprints on the stairs. In the garden looms a solitary figure: a snowman bathed in cold moonlight, its black eyes glaring up at the bedroom windows. Round its neck is his mother's pink scarf. Inspector Harry Hole is convinced there is a link between the disappearance and a menacing letter he received some months earlier. As Harry and his team delve into unsolved case files, they discover that an alarming number of wives and mothers have gone missing over the years. When a second woman disappears Harry's suspicions are confirmed: he is a pawn in a deadly game. For the first time in his career Harry finds himself confronted with a serial killer operating on his turf, a killer who will drive him to the brink of insanity. A brilliant thriller with a pace that never lets up, The Snowman confirms Jo Nesbo's position as an international star of crime fiction.

Discover the novel behind the major film starring Michael Fassbender as Harry Hole [Chilling, spectacular stuff! Mark Billingham Soon the first snow will come A young boy wakes to find his mother missing. Outside, he sees her favourite scarf wrapped around the neck of a snowman. And then he will appear again Detective Harry Hole soon discovers that an alarming number of wives and mothers have gone missing over the years. And when the snow is gone... When a second woman disappears, Harry's worst suspicion is confirmed: a serial killer is operating on his home turf. ...he will have taken someone else *JO NESBO HAS SOLD 40 MILLION BOOKS WORLDWIDE* *Watch out for Knife, the new Harry Hole thriller, out now*

Inspector Harry Hole returns from Hong Kong hot on the trail of a serial killer in this installment of Jo Nesbo's New York Times bestselling series. Inspector Harry Hole has retreated to Hong Kong, escaping the trauma of his last case in squalid opium dens, when two young women are found dead in Oslo, both drowned in their own blood. Media coverage quickly reaches a fever pitch. There are no clues, the police investigation is stalled, and Harry/the one man who might be able to help/can't be found. After he returns to Oslo, the killer strikes again, Harry's instincts take over, and nothing can keep him from the investigation, though there is little to go on. Worse, he will soon come to understand that he is dealing with a psychopath who will put him to the test, both professionally and personally, as never before.

Brilliant, audaciously rogue police officer, Harry Hole from The Snowman and The Thirst, is back and in the throes of a new, unanticipated rage—once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel—the only woman he's ever loved—has ended it with him, permanently. He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison—free, and Harry is certain, unformed and ready to take up where he left off. But things will get worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

In the heat of a sweltering Oslo summer, a young woman is found murdered in her flat—with one of her fingers cut off and a tiny red star-shaped diamond placed under her eyelid. An off-the-rails alcoholic barely holding on to his job, Detective Harry Hole is assigned the case with Tom Waaler, a hated colleague whom Harry believes is responsible for the murder of his partner. When another woman is reported missing five days later, and her severed finger turns up adorned with a red star-shaped diamond ring, Harry fears a serial killer is at work. But Hole's determination to capture a fiend and to expose Waaler's crimes is leading him into shadowy places where both investigations merge in unexpected ways, forcing him to make difficult decisions about a future he may not live to see.

With more than seven million copies sold worldwide, and translated into over forty languages, Jo Nesbo's Harry Hole series is an international phenomenon. Detective Harry Hole is a genuine anti-hero: a handsome loner, an alcoholic and workaholic who is tormented in his personal life even as he is revered by his colleagues for his unwavering sense of justice and proven police instincts. Harry's self-governing, anti-authoritarian style has driven his superior officer at the crime squad in Oslo to call him 'the best investigator in the department and the worst public servant.' First-class thrillers with high voltage suspense and complex plotting, The Snowman, The Leopard and Phantom are fascinating journeys into the world of this singular character and the dark criminal minds he pursues to the very limits of his sanity, in Oslo and beyond. Jo Nesbo is my favorite thriller writer and Harry Hole my new hero. | Michael Connelly | Exuberantly, ingeniously gruesome. | The Telegraph

GraINY CCTV footage shows a man walking into a bank and putting a gun to a cashier's head. He tells her to count to twenty-five. When he doesn't get his money in time, she is executed. Detective Harry Hole is assigned to the case. While Harry's girlfriend is away in Russia, an old flame gets in touch. He goes to dinner at her house and wakes up at home with no memory of the past twelve hours. The same morning the girl is found shot dead in her bed. Harry begins to receive threatening e-mails. Is someone trying to frame him for this unexplained death? Meanwhile the bank robberies continue with unparalleled savagery. Gripping and surprising, Nemesis is the new thriller by one of the biggest stars of Scandinavian crime fiction.

NOW A MAJOR FILM STARRING MICHAEL FASSBENDER 36 MILLION BOOKS SOLD WORLDWIDE Soon the first snow will come A young boy wakes to find his mother missing. Outside, he sees her favourite scarf - wrapped around the neck of a snowman. And then he will appear again Detective Harry Hole soon discovers that an alarming number of wives and mothers have gone missing over the years. And when the snow is gone... When a second woman disappears, Harry's worst suspicion is confirmed: a serial killer is operating on his home turf. ...he will have taken someone else

An elegant and complex thriller.Harrowingly beautiful. | New York Times Book Review | A hugely impressive achievement/ambitious in scope, and skilled in execution. | Los Angeles Times |The Redbreast certainly ranks with the best of current American crime fiction. | Washington Post No disrespect meant to Henning Mankell and Stieg Larsson, but Jo Nesbo, the New York Times bestselling author of The Snowman, is the most exciting Scandinavian thriller writer in the crime fiction business. The Redbreast is a fabulous installment in Nesbo's tough-as-nails series protagonist, Oslo police detective Harry Hole. A brilliant and epic novel, breathtaking in its scope and design/winner of The Glass Key for best Nordic crime novel and selected as the best Norwegian crime novel ever written by members of Norway's book clubs/The Redbreast is a chilling tale of murder and betrayal that ranges from the battlefields of World War Two to the streets of modern-day Oslo. Follow Hole as he races to stop a killer and disarm a ticking time-bomb from his nation's shadowy past. Vogue magazine says that 'nobody can delve into the dark, twisted mind of a murderer better than a Scandinavian thriller writer'and nobody does it better than Jo Nesbo! James Patterson fans should also take note.
